Dear Sir / Madam,

Sub: Organization of ANVESHAN: Students' Research Convention (North Zone) of Association of Indian Universities for Undergraduate to Postgraduate Students during 28-30 December, 2015 – reg.

You may be aware that with a view to inculcate research culture in our higher education institutions, the **Association of Indian Universities**, New Delhi has taken a pioneering initiative to organize Student Research Conventions for the aspiring researchers throughout the country every year. The event is organized at three levels viz. at University, Zonal and National levels.

In this regard, I am happy to inform you that **ANVESHAN: Students' Research Convention (North Zone)** event is being organized this year at ICAR-National Dairy Research Institute, Karnal during **28-30 December, 2015**. The competition is open to bonafide undergraduate to postgraduate level students of the University in five major areas viz. *Basic Sciences; Agricultural Sciences; Engineering & Technology; Health & Allied Sciences; and Social Sciences*. The detailed guidelines and registration form for zonal competition are provided in **Annexure-1 and 2**, respectively. For this, I request you to please conduct the competition amongst all the undergraduate and post graduate students of your esteemed University and send one each best project under the five major areas mentioned above to me by **1st December, 2015**.

You are also requested to kindly give wide publicity to the event and ensure effective participation in the ANVESHAN: Students' Research Convention by the students and oblige.

The selected best projects under the five major areas duly countersigned by the Head of the Organization must reach the Organizing Secretary of the North Zone host university i.e. ICAR-National Dairy Research Institute, Karnal latest by 1st December, 2015.

With regards,

Sincerely yours,

(A.K. Srivastava)

To
The Vice Chancellors
All Universities of AIU (North Zone)

CC:

1. Dr. Amarendra Pani, Head, Research Division, Association of Indian Universities, New Delhi – 110 002. (Email: researchaiu@gmail.com)
2. Dr. P. N. Raju, Scientist & Organizing Coordinator, ANVESHAN (North Zone) NDRI, Karnal – 132 001, Haryana. (Email: narender.p@icar.gov.in Mobile: 09896038983; Fax: 0184-2250042).

Anveshan: Students' Research Convention

Guidelines

Preamble

Spirit of inquiry, creativity and innovativeness are some of the natural endowments bestowed upon human beings, which are the keys to transformation of life. These factors, when manifested in the form of research, open new frontiers of knowledge, which is instrumental for all forms of development. Perhaps, this is the reason for which research is recognized as one of the core functions of the universities/institutions of higher learning and the universities have been rendering this responsibility with utmost diligence. India's noteworthy progress in the field of Information Technology, Energy and Space, etc., are the outcome of consistent endeavour of our intellectual resources. India, currently producing a solid core of knowledge workers in tertiary and scientific and technical education and its economy and industrial sector set for an unparalleled growth is poised to become the future global knowledge hub. However, the onus lies largely on our Higher Education system and particularly on our universities. But, of late, research has become a subservient component in the university functioning. Resource constraints, lack of commitment, proper incentive etc., are the impediments that are affecting the quality of research in our institutions of higher education. Other important factors for the deterioration of the quality of research are the absence of adequate training and other capacity building endeavour in our system, which have restricted students' creativity only to rote memory. On the contrary, their potential should be nurtured and harnessed for the benefit of the society. The current boom in Indian economy signaling an era of transformation should provide ample opportunity for success to innovative young brains to become trend setters and role models of a vibrant India.

With a view to inculcating research culture in our higher education institutions, the Association of Indian Universities has taken a pioneering initiative to organize Student Research Conventions for the aspiring researchers throughout the country. These Conventions aim at identifying the young and rising talents who would be promoted through proper encouragement and incentives. Also an attempt shall be made to commercialize their research projects with industrial collaboration. The endeavour may accelerate scientific research and innovation and their application towards community development percolating to the grass root level. Anveshan: The Student Research Convention was applauded across the country for providing an innovative platform for students and generating a great zeal of enthusiasm among the young and emerging breed of researchers in the country. Nevertheless, the initiative is an attempt to inculcate and strengthen a culture of research in the universities and other institutions of Higher Learning.

Objectives

- To identify young talents with research aptitude and interest to take up research as career option.
- To promote the talent in research throughout the country.
- To nurture the talent through specialized training and education in some of the nationally and internationally reputed premier institutions of higher learning in the country.
- To augment financial and physical resources through collaboration with different sponsors for supporting education and training of the young researchers.
- To provide proper incentives to enhance the skill of potential students
- To initiate an intensive research culture in a selected group of institutions

Areas/Fields

The areas/fields in which Projects (**Individual and Group Projects***) are invited:

- Agriculture
- Basic Sciences
- Engineering & Technology
- Health Sciences and Allied Subjects, Pharmacy, Nutrition, etc.
- Social Sciences, Humanities, Commerce and Law (Objective and Result Oriented Projects)

* In case of a **Group project**, only three members [one principal investigator and two major contributors] are allowed to participate in the zonal/ national convention.

Type of Project

- Projects on the above mentioned areas must be original and must have undergone some exploration/ ground work in order to show its feasibility and impact.

Methodology

- The duration of the convention will be **three days**
- The convention will be held in **three phases**.
 - i. In the **First Phase**, all universities in the country will be requested to organize an exhibition of research projects at **University level** in which students from **Affiliated/Constituent Colleges, Research Institutions and University Postgraduate Departments** will be invited to participate. The exhibited projects will be scrutinized by a team of experts of their respective areas.
 - ii. In the **Second Phase**, the exhibition will be held at **Zonal level** for which **Five** Universities, one in each zone, have been identified (calendar enclosed for details). From each zone **best 15 projects** will be given entry to compete at the **National level**.
 - iii. In the **Third Phase**, the exhibition/competition will be held at **National level**. The Association of Indian Universities will call for the successful projects, selected through the zonal competition, for National level competition. A total of **75 selected projects** will be displayed for assessment at the National level out of which **15 projects** will be finally selected.

No. of Projects

- Each university is allowed to send a maximum number of **five** projects for the zonal level Student Research Convention.
- In case of the universities/ institutes not having courses/ programmes in all the above mentioned categories, entry of five projects in their respective fields shall also be entertained.
- The selected projects duly countersigned by the Head of the Organization must reach the coordinator of the host university i.e. ICAR-National Dairy Research Institute, Karnal for North Zone latest by **1st December, 2015**. Registration form for zonal level convention is enclosed.

The projects will be assessed by a panel of experts drawn from various disciplines. The students whose projects will be selected in the final stage at national level convention will be promoted through proper incentives for career development in research.

Criteria for Assessment of Projects

All the projects will be assessed on the basis of following criteria. Each criterion is assigned some weightage. The final selection of projects will be based on the cumulative weightage given on all criteria.

Criteria and weightage

- Scientific Thoughts and Principles 20
- Creativity 20
- Thoroughness 10
- Skill 10
- Relevance 20
- Cost Effectiveness 10
- Teamwork 10

Apart from the above criteria, **Scope of Commercialization** of the projects will be considered as an **additional merit**. However, there will be no weightage point for this criterion. In case of the projects having scored equal cumulative weightage point, this criterion will be considered for making the final decision.

Eligibility for Participation

Entries of the research projects will be purely **INSTITUTIONAL** and only **BONAFIDE fulltime** Students/Research Scholars from Undergraduate to Doctoral Degree level are eligible to take part in the convention.

Entry/Registration Fee for Zonal level Convention

Entry - Rs. 500/- (per Student)

(The entry fee for **zonal** level competition in the form of **Demand Draft** drawn in favour of **Association of Indian Universities, New Delhi** and the **Registration form** should be sent to the Deputy Director, Research Division, Association of Indian Universities, New Delhi with a copy to the coordinator of the **Organizing University**) **There is no registration fee for National level convention.**

Board and Lodging

At zonal level, the host university will make the arrangement for accommodation; **breakfast, lunch and dinner at reasonable rates on payment.** Those requiring such facilities may contact the Coordinator of the host university (**Dr. P. N. Raju**, Scientist & Organizing Coordinator, ANVESHAN (North Zone) NDRI, Karnal – 132 001, Haryana. **Email:** narender.p@icar.gov.in **Mobile:** 09896038983; **Fax:** 0184-2250042).

Registration Form for Zonal Level Competition

Name:

Father/Guardian's name:

Name of the College/ Institute where studying:

[Please mention clearly if the candidate is pursuing his/her study from University Department/Faculty]

Name of the University to which the college is affiliated:

Name of the Zone:

Nomenclature of the Degree (For which enrolled):

Discipline:

Year:

Permanent Address:.....
.....

Address for Communication:
.....

Phone: (Off)(Res)..... (Mob).....

Fax..... E-mail:

Title of the Project:

Faculty & Subject Area.....

Date of Commencement of the Project:

Date of completion of the Project:

Application of the Outcome of the Project (if any). Yes/ No

If Yes, mention briefly about the nature of Application

.....
.....

Whether the project has been sent for some other competition earlier? Yes/No

If Yes, mention place and date

Accommodation required: Yes / No

Date.....

Signature of Candidate

(Signature with Seal of the Competent Authority)
