OFFICE ORDER

It has been seen that University employees frequently sit on Dharna to get their demands accepted. This is not a healthy practice and it adversely affect the University administration. It also spoils the congenial working atmosphere of the University.

The University administration has taken a serious view of it. Therefore, it is hereby brought to the notice of all concerned that in future no body should resort to sit on Dharna. However, if there is any problem in relation to their genuine demand, the employees should give at least a week's time to the authorities to get the issue examined/resolved. Further the Dharna should take place at the site earmarked for this purpose i.e about 200 meters away from the Administrative Block.

The above instructions may be noted by all for strict compliance.
