Interview for R & D Project

Applications are invited from highly motivated and dedicated candidates for the Position of one Senior Research Fellow for a DBT funded Research Project “**Expression Analysis of Galactomannan Biosynthesis Pathway Genes in Cluster bean (*Cyamopsis tetragonoloba L.*) through Transcriptome Sequencing**” sanctioned to Prof A Chaudhury for a period of three years (~one year remaining).

Position	Eligibility & Qualifications	Experience	Duties	Salary
Senior Research Fellow (SRF)	Masters Degree in any area of Life Sciences with UGC/CSIR NET LS.	Preference will be given to candidates having a <u>minimum of Two</u> or More Years of Experience in Plant Molecular Biology Techniques/Bioinformatics along with publications in this area.	Collection of plant material, isolation of DNA, RNA, mRNA, preparation of cDNA library, gene expression studies, gene annotation using bioinformatics software, Transcriptome or genome sequencing, and other day to day laboratory work, writing of reports and scientific research papers.	@ Rs 28,000/ per month, 10% HRA as per University rules

Interested candidates should send their completed applications on plain paper, degree and experience certificates, letters of recommendations and published papers along with a copy of Biodata up to 18th November, 2016 to the undersigned and may appear for Interview on 21st November, 2016 at 3:00 PM in the Conference Room 101, Department of Bio & Nano Technology, Bio & Nano Technology Centre, Guru Jambheshwar University of Science & Technology, Hisar, Haryana. The candidates are advised to bring all original Certificates along with a set of attested copies of the same. The Position of Senior Research Fellow (SRF) is Co-terminus with the duration of the Project sanctioned by the Funding Agency. No TA/DA will be paid for attending the Interview.
