'A+' Grade University Accredited by NAAC

ABOUT THE CONFERENCE

The ever-evolving landscape of sustainability, technology, and innovation is driving unprecedented transformation across industries and societies. Addressing these changes requires a multidisciplinary approach, integrating advanced research and innovative practices with actionable insights. This conference provides a platform to bridge the gap between students, researchers, practitioners, and industry leaders, fostering collaboration and the exchange of ideas to address complex global challenges.

Through STAGE-2025, we aim to create a blueprint for sustainable growth by exploring cutting-edge advancements in technology, promoting green initiatives, and fostering entrepreneurship. The conference encourages discussions on emerging trends, strategies, and solutions to drive sustainable development while advancing innovation and business practices

GURU JAMBHESHWAR UNIVERSITY OF SCIENCE & TECHNOLOGY, HISAR

Guru Jambheshwar University of Science & Technology, Hisar (formerly Guru Jambheshwar University) is a State University established in 1995 by an Act of the Legislature of the State of Haryana (India). The University is situated at Hisar. The University is spread over a sprawling area of about 372 acres. The University is currently offering more than 150 UG, PG, P.h.D. Programmes through campus, ODL and online mode. The University has started and restructured many programmes under NEP-2020. In the National Institutional Ranking Framework (NIRF) 2024, the University has secured 47th rank in State Public University Category, 55th rank in Pharmacy Category. A total of 6629 research papers have been published by the faculty in peer reviewed journals of repute which are listed in SCOPUS with more than 118000 citations. The h-index of the University has increased to 130 which is highest h-index of any University in the State of Haryana.

ABOUT THE DEPARTMENT OF COMMERCE

In today's dynamic world, characterized by constant changes in the economic and business landscape, future leaders, managers, and entrepreneurs must be prepared to adapt. The Department of Commerce ensures that every student gains the right blend of skills and domain expertise, enabling them to seamlessly integrate into the industry. Our faculty members, with their unique combination of academic and industry experience, employ innovative teaching methods that help students connect management theories with real-world applications. This approach empowers students to explore their strengths and refine their professional goals. The Department of Commerce fosters a disciplined and vibrant environment, ensuring quality education through an industry-driven, outcome-based curriculum. Practical labs, extracurricular activities, and competitive events play a vital role in transforming students into confident professionals.

THE INDO-GULF MANAGEMENT ASSOCIATION, DUBAI

The Indo-Gulf Management Association (IGMA) is a premier platform dedicated to fostering innovation and excellence in management across India and the Gulf Cooperation Council (GCC) countries. Established to inspire global business and social innovations, IGMA emphasizes collaboration and knowledge exchange, focusing on the dynamic advancements in nations such as Saudi Arabia, the UAE, Oman, Qatar, Kuwait, and Bahrain. With a commitment to addressing the challenges of the modern era, IGMA offers cutting-edge workshops, training programs, and research initiatives. Leveraging tools like AI, flipped classrooms, management simulations, and real-world case studies, IGMA equips organizations and individuals with the skills to thrive in the "New Normal." As a non-profit entity, IGMA prioritizes accessibility, delivering impactful and cost-effective learning experiences that drive growth, innovation, and sustainable progress.

RESEARCH CULTURE SOCIETY, USA AND INDIA

Research Culture Society (RCS) is a Government Registered International Scientific Research Organization. Registered with several United or Government bodies. It is also an independent, professional, non-profit international level organization. RCS – ISRO shall also initiate and set up new educational and research programs with other international organizations. Society is working for the research community at National and International level to impart quality and non-profitable services. Our vision is to be recognized as a leading provider of high-quality scientific research and development organization for the betterment of our present and future generations.
