About the University

Guru Jambheshwar University of Science & Technology (GJUST), established in 1995, is a leading state university in Hisar, Haryana, recognized for its excellence in education, research and innovation. Named after Guru Jambheshwar Ji Maharaj, a saint and environmentalist of 15th Century, the university is located on NH-9, 167 km from Delhi and 231 km from Chandigarh. The university's 372-acre campus is equipped modern facilities, known for its interdisciplinary research, has over 1,18,000 citations for 5200 SCOPUS-indexed publications, an h-index of 130 and prestigious awards like ARIIA Band A status. GJUST's key rankings include 47th in Pharmacy and 100th in Management in NIRF-2024, and a rank band of 810-1000 in Engineering by Times Higher Education in 2024, alongside being graded Autonomous (Category- II) by UGC-2023. Committed to academic excellence, cutting-edge programs, focus on emerging fields and global, sustainability leadership, GJUST remains a hub of academic excellence and innovation.

About the Department

The Department of Applied Psychology is dedicated to academic and research excellence, providing a nurturing environment that fosters intellectual and professional growth. Offering diverse programs, including B.Sc. Psychology (Hons), Integrated B.Sc. (Hons.)-M.Sc. Psychology, M.Sc. Psychology, a Ph.D. program, and a one-year Postgraduate Diploma in Guidance & Counselling (PGDGC), the department prepares students for promising careers in counselling, research, and beyond. Equipped with a state-of-the-art laboratory, an Aptitude Lab, and a Counselling Cell, the department also houses the Behaviour Research and Intervention Centre, which provides consultancy services and practical training. Known for producing the highest number of UGC NET JRF qualifiers, the department has a strong record of students excelling as counsellors in government and private sectors and establishing successful start-ups. Its research-driven approach empowers students to meet emerging challenges in psychology and contribute significantly to society.

About the Society

The Society of Industrial and Organizational Psychology (SOIOP) was founded in January 2018 by academics, researchers, and human resource professionals from various prestigious institutions, including Banaras Hindu University, IITs, IIMs, and leading companies like Coal India Ltd., NTPC, Tata Motors, and more. Its primary goal is to foster a fair and humane work environment in India, where individuals have equal opportunities to reach their full potential and experience a high quality of work life. SOIOP focuses on enhancing the credibility of industrial and organizational psychology (IOP) as a discipline and profession, promoting inclusivity and diversity, and encouraging research in the field. The society strives to maintain high standards of training for IOP professionals, ensuring they can deliver effective services. Additionally, SOIOP works to ensure that IOP services are accessible, affordable, and of high quality, meeting the needs of both individuals and organizations across India.
