## Online Education

1. Does all programs/courses were completed on time.

Yes

2. Measures taken to complete the syllabus of courses and programs.

The University has about 23 academic departments that are running more than 50 UG/PG programs. COVID has impacted the activities of the departments in many ways. The students were not there on campus. Teaching classes and practical's were not possible in physical mode. Departments took many initiatives right from the beginning. First of these initiatives were online theory classes for all the UG and PG programs through different available online modes. For practical classes, videos were uploaded and were shared with the students so that their teaching does not suffer at any cost. Minor and major Examinations were conducted online. Online examinations were conducted for all the UG and PG courses. The Students of the University campus as well as of the affiliated colleges were given equal opportunities. COVID has definitely impacted the research being carried out in various science and engineering departments of the University. In the first major lockdown, the University was closed for about two months, and later as per guidelines of the Ministry of Home Affairs and University Grants Commission, University started opening and Ph.D. students started coming back to the University but it was not completely normal for about six months. The Ph.D. students dedicated to experimental work could not carry out the experiments. The synthesis of various kinds of research samples and their characterization and investigation and study of the various applications was impacted. Ph.D. students started coming back in the month of June/July 2020 and then started again experimental work. University took several initiatives and measures to minimize this academic loss. During this period several online activities were carried out by the respective science and engineering department for sharpening the research skills of the students so that their project work improves once the University attains normalcy. Online conferences were organized. Several online seminars and workshops were organized for making a good loss of the period. Online Ph.D. viva was conducted so that there is no loss to the student. The Online Ph.D. submission process is already in place at the University. Online progress report of the research scholars has become a routine process so that good quality reach is underway as usual. University faculty members were digitally connected with the Foreign collaborators for discussing research problems. Students and Faculty members were encouraged to attend important national and international symposia/conferences/training programs and workshops. Remote access from home for online e-journals and e-books was provided to all the Faculty members and research scholars of the University.
