Recruitment of Junior Research Fellow

Applications are invited from Indian Nationals for one position of Junior Research Fellow (JRF) for working on the Haryana State Council for Science, Innovation and Technology funded research and development project entitled "Development of hyphenated bioactive frameworks based on imidazole towards effective therapeutic agents" awarded to Dr. Vikas Verma (Principal Investigator) and Dr. Ashwani Kumar (Co-Investigator).

Essential Qualification:

- i) M.Sc. Chemistry with qualified JRF-NET (CSIR/UGC) / LS-NET in Joint CSIR-UGC Test for Junior Research Fellowship (JRF) and eligibility for lectureship (NET)/ M. Pharm. (Pharmaceutical Chemistry) with GPAT
- ii) Minimum of 60% marks or equivalent CGPA

Desirable qualification:

- i) Experience in synthetic organic chemistry
- ii) Knowledge of spectroscopic methods of analysis
- iii) Experience of biological assay

Emoluments: Rs. 37, 000/- per month

Duration of the position: One-year, extendable up to Feb. 2027 based on the performance

General terms and conditions:

1. The position is temporary and co-terminus with the project. The performance of JRF will be evaluated every year and extension will be given on satisfactory performance.
2. The candidate is expected to report within a short period of notice upon selection.
3. No TA/DA will be paid for attending the interview.

Interested candidates should apply via email sending their detailed resume to Principal Investigator, Prof. Vikas Verma at vikas@gjust.org on or before 23.10.2025. Please write "Application for JRF" in the subject line of the e-mail. The shortlisted candidates will be intimated by the email. **The date of interview will be 27.10.2025 at 10:00 AM.**

Prof. Vikas Verma
(Principal Investigator)
