

SN	Name of the program	Date of the program	Duration of the program	No. of people attended
1	Python Programming & Data Analytics (STTP)	26-08-2023 to 11-09-2023	16 days	91
2	Cyber security cyber-Crime (Workshop)	21-11-2023	1 day	176
3	Essential Documents formatting Skills (Workshop)	26-11-2023	1 day	60
4	Emerging Trends in Computational Intelligence (FDP)	15-01-2024 to 20-01-2024	7 days	105
1	Machine Learning for Internet of Things	15-04-2023 to 20-04-2023	6 days	
1	Artificial Intelligence & Machine Learning (FDP)	07-02-2022 to 12-02-2022	6 days	
2	Information and Cyber Security (FDP)	27-09-2021 to 02-10-2021	6 days	

- One-day “Academic Orientation Programme” on 13.08.2024.
- One -day Seminar on “University to Startups –Igniting Young Minds to Innovate” on 20.09.2024
- One-day Seminar on “New Technology Initiatives by the Government: - Machine to machine Communications, IoT and Cyber Hygiene, and 5G Use Cases” on 09.10.2024.
- FDP on “Emerging Trends in Soft Computing Technologies” from 05.09.2016 to 10.09.2016
- One Day workshop on "Communication skill and interview" on 10.08.2016

- One Day National Workshop on "MATLAB & The Internet of Thing (IOT)" on 11.05.2016
- National Seminar on “Design of 5G Mobile Network using Soft Computing Techniques” from 27.03.2017 to 28.03.2017
- Workshop on “BIG Data and Cloud Computing” on dated March 2017
- National Workshop on “Research Trends in Engineering & Technology” from 27.02.2018 to 28.02.2018
- Workshop on “Android Programming” was conducted practically on 19.4.2018.
- Seminar on “Design of 5G Network Using Soft Computing Techniques” from 28.03.2019 to 29.03.2019
- FDP on “Emerging Trends in Machine Learning Technologies” (Sponsored by TEQIP-III) from 20.01.2020 to 25.01.2020
- “Smart GJUST Hackathon 2020” on 28.01.2020
- Webinar on “Recent Advances in Machine Learning” on 28.07.2020
- Webinar on “Edge Computing and IOT” on 06.08.2020
- Webinar on “Block Chain Technology” on 14.08.2020
- Webinar on “Data Science Transformation Journey” on 29.08.2020
- One Day workshop on "Outcome Based Education Framework" on 17.03.2021
