Message from the Vice-Chancellor

It gives me immense pleasure to extend my heartfelt greetings to all the readers of our inaugural edition of *Gurukul to Global Times*. This newsletter is a reflection of our shared commitment to academic excellence, innovation, and holistic development, values that lie at the heart of our educational vision, values deeply rooted in the vision of Guru Jambhoji; a 15th-century saint and environmental reformer. His timeless message guides our environmental and ethical commitments, reminding us of the sacred harmony between life and nature. At Guru Jambheshwar University of Science and Technology, we believe in creating learning environment that not only impart knowledge but also inspire character, curiosity, and creativity. The academic session 2024–2025 has witnessed a dynamic blend of knowledge, culture and innovation. Our student and faculty continue to make significant contributions in diverse domains, from science and technology to teacher education, environmental sustainability, and digital learning. We are especially proud of initiatives like the Integrated Teacher Education Programme (ITEP), which aligns with the National Education Policy 2020 and is preparing future educators who are deeply rooted in Indian values while being globally competent. I congratulate the entire team behind this publication for curating this vibrant tapestry of achievements, experiences, and insights. May this newsletter serve as both a mirror of our progress and a beacon that guides us toward greater horizons.

Let us continue to nurture dreams, strive for excellence, and together shape a future where education transforms lives.

Warm wishes,

Prof. Narsi Ram Bishnoi

Vice-Chancellor

Guru Jambheshwar University of Science and Technology, Hisar

Editorial Note — Journey Through Words: Reflections on Our Inaugural Edition

It gives us immense pleasure to present the inaugural edition of *Gurukul to Global Times* Annual Newsletter, a vibrant reflection of the academic, cultural, and creative endeavors of the Department of Education, Guru Jambheshwar University of Science & Technology. This newsletter captures the spirit of our collective journey from insightful and dynamic academic events to cultural celebrations and inspiring student achievements. Each page echoes our commitment to holistic education and excellence. As we embark on a new academic year, we reflect on the profound transformations that have shaped the educational landscape from the ancient Gurukul system to today's technology-driven global ecosystem. This journey has been one of innovation, resilience, and continuous growth. The Department of Education stands at the forefront of this transformation, fostering a culture of academic rigour, creativity, critical thinking, and community engagement. Our faculty and students consistently push the boundaries of knowledge, embracing research, inclusive practices, and pedagogical innovation. Our editorial team has worked with great dedication to bring you glimpses of these meaningful moments the ones that inspire, inform, and ignite new ideas.

This first volume is more than a collection of events; it is a testament to the vibrant academic community we are all proud to be part of. As we celebrate our milestones, we also recognize the challenges ahead. The rapidly evolving educational landscape calls upon us to stay adaptable, inclusive, and socially responsible. We hope this newsletter not only informs but also inspires all our readers — students, faculty, alumni, and well-wishers — to continue striving for excellence, empathy, and innovation.

Thank you for being a part of our community.

Happy Reading!

Honoring the Spirit of Growth Through Curricular Excellence and Pedagogical Innovations

Diksha Aarambh: Initiating the ITEP Journey

September 23, 2024:

Guru Jambheshwar University of Science and Technology proudly launched a new course, ITEP (Integrated Teacher Education Programme), under the Department of Education. To warmly welcome the first batch of students, the department organized a special event titled “Diksha Aarambh”, held from 23rd September to 27th September. The event began with an online induction session on 23rd

September from 12:00 PM to 1:30 PM, where students were oriented about the syllabus, subjects, and subject choices. From 24th to 25th September, sessions were held in Seminar Hall 3, introducing students to various university facilities like the Library, Sports Complex, NCC, NSS, and more. It also included a meet-and-greet with faculty members and other university staff, creating a friendly and welcoming atmosphere. The last two days, 26th and 27th September, were dedicated to Creative Spark and Cultural Events, encouraging students to participate, showcase their talents, and interact with their peers. These ice-breaking sessions aimed to ease students into their new academic journey, build connections, and familiarize them with campus life. The event also included discussions about the time table and academic schedule, making it an informative and engaging start for all the new ITEP students

Peer Learning in Action: A Student-Led Knowledge Exchange

October 4, 2025; The Department of Education at Guru Jambheshwar University of Science and Technology Hisar had organized an insightful Peer Learning Session. The session was graciously conducted by our esteemed Chairperson, Professor Vandana Punia. It served as a valuable platform for students to engage in meaningful academic discussions and collaborative learning. Professor Punia shared her vast knowledge and experience, emphasizing the importance of peer interaction in enhancing educational outcomes. The session encouraged students to actively participate, exchange ideas, and reflect on innovative teaching methodologies. It also highlighted the significance of continuous learning and professional development in the field of education. The interactive environment fostered curiosity, teamwork, and a spirit of inquiry among the participants. Overall, it was a motivating

and enriching experience for all attendees.

Team-Based Learning through Educational Games

October 5, 2024; Teacher Education Programme (ITEP) at the Department of Education, GJUST, Hisar recently hosted a Team Game-Based Tournament, designed to foster collaboration, strategic thinking, and leadership among student-teachers. The event occurred as part of the institution's ongoing efforts to incorporate innovative and interactive learning methods into teacher training. The tournament featured team-based activities and games, each crafted to challenge participants' problem-solving abilities, communication skills, and teamwork. Divided into teams, student-teachers competed in games, which required a combination of quick thinking and coordinated action. The event was a test of their skills and a great opportunity for the students to bond with their peers, learning how to work together to achieve common goals—an essential skill for future educators. The winning team received accolades for their outstanding performance.

Spiritual Sojourn: Visit to Guru Jambheshwar Ji Maharaj Religious Studies

October 10, 2025; the students of ITEP at Guru Jambheshwar University of Science and Technology went on an enriching educational and religious visit to the Guru Jambheshwar Ji Maharaj Institute. The visit began with an enlightening address by Professor Krishna Ram Bishnoi, who shared valuable insights about the life, teachings, and philosophy of Guru Jambheshwar Ji Maharaj. Students had the privilege to visit the Guru Jambheshwar Ji Maharaj Temple, where they experienced the spiritual

environment and learned about the religious significance of the place. A special highlight of the visit was viewing the ancient pandulipis (manuscripts), which reflected the rich literary and spiritual heritage of the region. Students also explored the religious library, which houses rare scriptures, books, and resources related to the Bishnoi community and Indian traditions. The visit offered a unique blend of education, history, and spirituality, leaving the students inspired and deeply connected to their cultural roots. It was a memorable experience, promoting moral values and a sense of reverence for India's ancient wisdom.

Creative Classrooms: Integrating Art into Pedagogy

October 11, 2025; ITEP course students of Guru Jambheshwar University had participated in an enriching workshop on Integrated Art and Different Teaching Styles. The event aimed to blend creativity with teaching methods for better classroom engagement. Prof. Kuldeep inspired students to actively showcase their artistic talents through drawings, posters, and creative expressions. His motivating words encouraged

students to integrate art into their learning process. Prof. Vandana Punia, Chairperson of the department, conducted a series of interactive activities during the workshop. These activities introduced students to various teaching styles, making learning more effective and student-friendly. The students learned how to adapt different methods according to learners' needs. The session promoted creativity, confidence, and innovative thinking in future teachers. It also highlighted the importance of art in education and flexible teaching approaches. The workshop ended with students enthusiastically sharing their experiences and learnings.

Navigating the SWAYAM Portal: A Practical Workshop

October 25, 2025, ITEP course students of Guru Jambheshwar University attended an insightful hands-on session conducted by the Chairperson. The session focused on the use of the SWAYAM portal, an online learning platform where students can enroll in various courses and earn credits. These credits can later be added to their academic program, enhancing their skills and qualifications. The Chairperson guided students on how to register, choose courses, and track their progress on SWAYAM. The session also

introduced students to the world of Artificial Intelligence tools. Special focus was given to ChatGPT, an AI-based language tool useful for writing, learning, and idea generation. Students were shown how AI tools can support their academic and personal growth. The session was interactive and highly beneficial for future-ready learning. It encouraged students to adopt technology and online resources in their educational journey. The program concluded with students expressing gratitude for this valuable opportunity.

Honouring the Constitution: Reflections on Democratic Values

November 26, 2024; The ITEP students of Guru Jambheshwar University of Science and Technology celebrated Constitution Day with great enthusiasm, fostering awareness of democratic values and civic responsibility. The event began with a powerful address by Hamant, who highlighted the significance and spirit of the Indian Constitution. An interactive quiz conducted by Chirayu engaged students in exploring constitutional principles. Ritika's poignant poem on justice, liberty, equality, and fraternity evoked a deep sense of patriotism among the audience. The celebration concluded with a vote of thanks and the singing of the National Anthem, leaving students inspired to uphold the values of the Constitution in both thought and action.

Rediscovering Roots: Vedic Education and Indian Heritage

December 10, 2025; The students of the ITEP course at Guru Jambheshwar University of Science and Technology participated in a special session on the ancient Vedic education system, organized under the guidance of Professor Vandana Punia. The session was led by Dr. Deepak Shastri, an esteemed scholar of Vedic literature, who introduced students to the profound wisdom of the Vedas, Vedangas, Brahmanas, Aranyakas, and Upanishads. The session included the recitation of Vedic mantras and an insightful exploration of the philosophical dialogue between Yama and Nachiketa, emphasizing core Indian values on life and death. The session served as a bridge between ancient spiritual wisdom and modern education, offering students a deeply reflective and enriching experience.

Bhartiya Bhasha Utsav: Celebrating Indian Languages and Unity

December 14, 2025 ; The Department of Education (ITEP), Guru Jambheshwar University of

Science and Technology, Hisar, successfully organized a three-day Indian Languages Festival under the theme "Unity Through Languages", showcasing a vibrant celebration of India's linguistic diversity, literary heritage, and cultural unity. The event was hosted by students of B.Sc. B.Ed. and B.A. B.Ed. (ITEP), and aimed to educate and inspire

participants about the richness of Indian languages, cultural traditions, and their role in fostering national unity. The inaugural session featured Prof. Krishna Ram Bishnoi as the keynote speaker. He emphasized that the Indian Languages Festival is celebrated in honor of the birth anniversary of Mahakavi Subramania Bharati, a multilingual scholar, freedom fighter, and national poet of India. He elaborated on the aim of the event — to promote multilingual education and preserve India's cultural ethos through language. On the second day, renowned author and academician Dr. Bijender Dahiya engaged the students in a session on the art of writing poetry and stories. He explained that poetry is a powerful medium to express emotions creatively, while storytelling serves both entertainment and educational purposes. He also shared tips for compelling writing and encouraged students to find their voice through literature. The third day was marked by enthusiastic participation in creative competitions, including poetry, short story writing, and folk song performances. The event witnessed overwhelming student involvement, reflecting the deep connection between language and identity. The Indian Languages Festival stood as a testimony to the university's commitment to NEP 2020's vision of multilingual education and holistic development through curricular and co-curricular integration.

Science in Practice: Innovative Projects by ITEP Students

The Integrated Teacher Education Program (ITEP) students at Guru Jambheshwar University of Science & Technology are showcasing their scientific spirit through groundbreaking experiments and innovative projects in the science lab. Guided by our dedicated and experienced faculty, the students are actively involved in hands-on scientific activities—from conducting precise experiments to presenting live demonstrations and undertaking research-based investigations. Their enthusiasm, curiosity, and commitment to scientific inquiry reflect the true essence of 21st-century learning.

Cultural Vibrance and Sporting Spirit: A Tribute to Growth

Art in Motion: Unleashing Creativity through Hands-On Expression: A Celebration of Student Artistry

Jan,7 -9 2025, The Department of Education organized a vibrant 3-day Art Workshop that ignited the creative spirit of the students. Under the guidance of Dr. Renu Jindal, participants explored and practiced a variety of artistic styles, including thumb painting, leaf painting, stencil art, spray art, and more. Each day featured engaging hands-on sessions that encouraged students to freely experiment with colours, textures, and techniques. The

atmosphere throughout the workshop was lively and inspiring, fostering a space where creativity flourished and artistic confidence grew. On the third day, a colourful exhibition was held to showcase the artworks created during the workshop. Faculty members, fellow students, and a special guest, Prof. Sandeep Rana, attended the exhibition and appreciated the talent and effort displayed by the budding artists. Their words of encouragement boosted the morale of the students and celebrated their imaginative expressions. The workshop concluded on a joyful note, leaving behind vibrant memories, inspired minds, and a renewed enthusiasm for art.

Celebration of Earth Day with a Call to Environmental Action

Date: April 22, 2025: Students of Department of Education celebrated Earth Day with a series of meaningful activities aimed at promoting environmental consciousness and sustainability among student-teachers and faculty. The event concluded with an Eco-Pledge, where all students committed to adopting environment-friendly habits such as reducing plastic usage, conserving water and energy, and promoting tree plantation in their communities. This Earth Day celebration reaffirmed the Department's

commitment to aligning with Sustainable Development Goals (SDGs) and integrating environmental education into its curriculum in the spirit of NEP 2020.

Sprinting to Success: Triumphs at the GJUST Athletic Meet

April 3, 2025 The Department of Education showcased its athletic spirit and determination at the recently held GJUST Athletic Meet, earning accolades in both track and field events. In the track events, students Apurva, Kiran, and Rachna emerged as top performers in the 100m and 1500m races. The girls' relay team—Rachna, Apurva, Kiran, and Kareena—secured second position in the competitive 4×400m relay. In the 800m race, Divyanshi and Tamanna impressed with their endurance and dedication. The department also made its mark in field events: Long Jump: Vidhi, Preeti, Kiran,

and Rashmi delivered remarkable performances. Discus Throw: Ritika, Komal, Varsha, Poonam, and Prakshi demonstrated strength and precision. Adding to the enthusiasm, Prof. Kuldeep Bishnoi led the faculty team to victory in the Tug of War, underlining the active participation of teaching staff in the sporting spirit of the event. The Department's outstanding participation reflects its commitment to nurturing all-round development, combining academic excellence with physical fitness and teamwork.

Lens and Light: ITEP Student Excels in Photography Exhibition

April 3, 2025 A captivating Photography Exhibition was recently organized at Guru Jambheshwar University of Science and Technology (GJUST), celebrating the artistic vision and creativity of its students. Among the active participants was Apurva, a student of the Department of Education (ITEP), who presented her photographic work with great passion and originality. The exhibition provided a vibrant platform for students to express their perspectives through the lens, turning moments

into meaningful visual stories. Apurva's contribution stood out for its thoughtful composition and storytelling, reflecting both technical skill and artistic sensibility. The Department of Education takes pride in Apurva's achievement, which exemplifies the spirit of exploration and expression that is nurtured in the ITEP programme. Events like this not only enhance student engagement beyond the classroom but also align with the department's goal of fostering holistic development through artistic and co-curricular opportunities.

Cultural Kaleidoscope: Department Shines in Abhivyakti Fest

March 23, 2025 — The Department of Education at Guru Jambheshwar University of Science and Technology (GJUST) proudly participated in the recently held 'Abhivyakti' Cultural Program, where students captivated the audience with a vibrant Haryanvi dance performance. The event served as a platform for students to celebrate and share regional heritage, reflecting the university's commitment to promoting cultural exchange and artistic expression. 'Abhivyakti' is a testament to GJUST's dedication to fostering creativity, cultural awareness, and a well-rounded educational experience for its students.

Outreach in Action: Supporting Children of Labourers

February, 12: In a heartwarming gesture, the faculty and students of the Department of Education at Guru Jambheshwar University of Science and Technology (GJUST) came together to support the children of labour class families. The department organized a donation drive, collecting school bags, books, and other essential items for the underprivileged children. The initiative aimed to promote education and provide basic necessities to those in need. The recipients were overwhelmed with gratitude, and the initiative brought smiles to the faces of the young beneficiaries. This philanthropic effort demonstrates the university's commitment to social responsibility and community engagement. The Department of Education at GJUST continues to inspire and make a difference in the

lives of those around them.

Artistic Flair: Abhivyanjana Club's Fine Arts Showcase

January 10, 2025 — The Department of Education at Guru Jambheshwar University of Science and Technology (GJUST) proudly celebrates the achievement of an ITEP student who secured the Second Position in the Poetry Competition organized by the Department of Hindi as part of the Yuva Diwas and International Hindi Diwas celebrations. The student's performance stood out for its creativity, expression, and linguistic depth, earning well-deserved recognition and bringing pride to both the ITEP class and the department. This accomplishment highlights the department's commitment to nurturing diverse talents and encouraging students to engage in literary and cultural pursuits.

Artistic Flair: Abhivyanjana Club's Fine Arts Showcase

April 20, 2025: The Abhivyanjana Club at Guru Jambheshwar University of Science and Technology, Hisar, organized a Fine Arts Competition aiming to foster creativity and artistic expression among students. The event featured a variety of competitions, including mehendi, rangoli, poster making, and collage, with students enthusiastically participating from various departments. Among the notable winners were Divyanshi Singh, Apurva,

and Ritika, who impressed the judges with their exceptional artistic skills. A special highlight of the event was the enthusiastic participation of ITEP (Integrated Teacher Education Programme) students from the Department of Education. Apurva took part in college, while Divyanshi, Annu, and Tamanna showcased their talents in mehendi. Representing the B.A. B.Ed. group, Chakshika, Varsha, Preeti, and Sumit Kumari participated in mehendi and poster-making events, with Ritika contributing a creative poster. The Hon'ble Vice Chancellor of the University, along with the Dean and Head of the Department of Education, congratulated all the participants and winners for their commendable performances and creative contributions. They appreciated the students' efforts and encouraged them to continue exploring their artistic potential alongside academic excellence.

Workshop on Curriculum Design for ITEP: Aligning with NEP 2020 Vision

June, 25, 2025: A two-day workshop on "Curriculum Design and Development for Integrated Teacher Education Programmes (ITEP)" was recently held, focusing on developing and finalizing the curriculum for B.A.-B.Ed. and B.Sc.-B.Ed. ITEP programs in alignment with

the National Education Policy-2020. The workshop brought together subject experts and special invitees from different departments and colleges to discuss and deliberate on ensuring quality in curriculum. The workshop emphasized the importance of pedagogical advancements and societal needs in shaping the curriculum.
