ABOUT GURU JAMBHESHWAR JI MAHARAJ

Guru Jambheshwar Ji Maharaj was a great saint, philosopher and environmentalist of the 15 century. He was born in the family of Shri Lohat Ji Panwar and Mata Hansa Devi on Bhadrapada Krishna Paksha Ashtami (Janmashtami), Vikram Samvat 1508 (1451 A.D.) in Pipasar village of Nagaur district of Rajasthan. Guru Jambheshwar Ji Maharaj founded the Bishnoi sect in Vikram Samvat 1542 (1485 A.D.) at Samrathal Dhaura on Kartik Krishna Ashtami. He spent the remaining 51 years of his life spreading his great vision. The First shabad uttered at the age of 7 years since Birth by Guru Jambheshwar Ji is **“Guru chinho guru chih purohit...!”** to a Brahmin called to cure his dumbness. Considering the miraculous powers of Guru Jambheshwar Ji and his teachings, Guru Jambheshwar Ji Maharaj is popularly considered as Vishnu Swarup. His teachings influenced both the ruling class and the common class.

Guru Jambheshwar Ji Maharaj had said – **“Jeev daya palaanee, rukh leelo na ghav”**

Which means – "Have compassion for all living beings, and don't cut the green trees".

He raised his voice against the rituals and formalities of contemporary social system. He was a great visionary who had foreseen the consequences of man's actions destroying nature for economic development. He saw the need for environmental protection and weaved his principles into religious commandments so that people could internalise those principles easily. He teaches love, peace, kindness, simplicity, honesty, compassion, forgiveness, hard work, good moral character, internal and external purity. At village Khejarli of Jodhpur State, in Vikram Samvat 1787 (1730 A.D.), under the influence of Guru Jambheshwar Ji Maharaj's teachings, Smt. Amrita Devi Ji and 362 Bishnoi brothers and sisters, sacrificed their lives to save Khejadi trees from being cut by moving their heads forward saying

"Sar Sath Rukh Rahe, To Bhi Saston Jaan",

Which means “Even if a tree is saved in exchange of a head, it is still a cheaper deal”.

The Khejarali village event was the supreme sacrifice worldwide to protect the trees. Khejarali (Jodhpur) is the place where the Chipko movement originated in India Centuries before the S.L. Bahuguna led Chipko movement. This collective sacrifice of human lives to protect the Khejri tree is a unique phenomenon worldwide.

Guru Jambheshwar Ji Maharaj founded 29 rules. Out of these, eight prescribe to preserve biodiversity and encourage good animal husbandry, seven provide directions for healthy social behaviour, and ten are directed towards personal hygiene and maintaining essential good health. The other four commandments provide guidelines for worshipping Vishnu daily. He expounded his religious philosophy and the essence of these principles in verses. These vibrant and passionate spiritual verses have a vigour of their own and are distinguished by their vivid conversational style and moral exhortation . Guru Ji achieved `Nirvana' in Vikram Samvat 1593 (1536 A.D.) at Lalasar, District Bikaner, Rajasthan.

In conclusion with a fundamental“ Shabad ” by Guru Jambheshwar Ji-

**“Vishnu Vishnu tu bhan re prani, paii key lakh upayun,
Rattan kayo baikunth baaso, tera jara maran bhaya**

In other words, “O human being, recite Vishnu Vishnu continuously so that the recital multiplies in number. This would relieve you from the fear of old age and death”.

MESSAGE FROM VICE CHANCELLOR

Warm greetings to all the Guru Jambheshwar University of Science & Technology hostel aspirants and their esteemed parents.

A home away from home, the hostels at GJUS&T are more than four walls and a roof. They have been designed to provide a comfortable, safe, inclusive and secure living even as they provide opportunities to form lasting friendships and ease the transition from home to university.

Living on campus provides students with opportunities to connect with other inmates, allowing them to interact, innovate and invent new ways of life. They develop stronger interpersonal and communication skills which train them into successful and well-rounded human beings. It helps in establishing relationships with faculty and staff members and engage in campus leadership, organizations and activities.

However, if hostel facility is considered to be a privilege by the student, it is not without the responsibilities that each resident must shoulder, to maintain and carry forward the best tradition of the University as a whole.

I extend my best wishes for career objectives of all the residents.
