ABOUT GURU JAMBHESHWAR JI MAHARAJ

Guru Jambheshwar Ji Maharaj was a great saint, philosopher and environmentalist of the 15 century. He was born in the family of Shri Lohat Ji Panwar and Mata Hansa Devi on Bhadrapada Krishna Paksha Ashtami (Janmashtami), Vikram Samvat 1508 (1451 A.D.) in Pipasar village of Nagaur district of Rajasthan. Guru Jambheshwar Ji Maharaj founded the Bishnoi sect in Vikram Samvat 1542 (1485 A.D.) at Samrathal Dhaura on Kartik Krishna Ashtami. He spent the remaining 51 years of his life spreading his great vision. The First shabad uttered at the age of 7 years since Birth by Guru Jambheshwar Ji is **“Guru chinho guru chih purohit...!”** to a Brahmin called to cure his dumbness. Considering the miraculous powers of Guru Jambheshwar Ji and his teachings, Guru Jambheshwar Ji Maharaj is popularly considered as Vishnu Swarup. His teachings influenced both the ruling class and the common class.

Guru Jambheshwar Ji Maharaj had said – **“Jeev daya palaanee, rukh leelo na ghav”**

Which means – "Have compassion for all living beings, and don't cut the green trees".

He raised his voice against the rituals and formalities of contemporary social system. He was a great visionary who had foreseen the consequences of man's actions destroying nature for economic development. He saw the need for environmental protection and weaved his principles into religious commandments so that people could internalise those principles easily. He teaches love, peace, kindness, simplicity, honesty, compassion, forgiveness, hard work, good moral character, internal and external purity.

At village Khejarli of Jodhpur State, in Vikram Samvat 1787 (1730 A.D.), under the influence of Guru Jambheshwar Ji Maharaj's teachings, Smt. Amrita Devi Ji and 362 Bishnoi brothers and sisters, sacrificed their lives to save Khejadi trees from being cut by moving their heads forward saying

"Sar Sathe Rukh Rahe, To Bhi Saston Jaan",

Which means “Even if a tree is saved in exchange of a head, it is still a cheaper deal”.

The Khejarali village event was the supreme sacrifice worldwide to protect the trees. Khejarali (Jodhpur) is the place where the Chipko movement originated in India Centuries before the S.L. Bahuguna led Chipko movement. This collective sacrifice of human lives to protect the Khejri tree is a unique phenomenon worldwide.

Guru Jambheshwar Ji Maharaj founded 29 rules. Out of these, eight prescribe to preserve biodiversity and encourage good animal husbandry, seven provide directions for healthy social behaviour, and ten are directed towards personal hygiene and maintaining essential good health. The other four commandments provide guidelines for worshipping Vishnu daily. He expounded his religious philosophy and the essence of these principles in verses. These vibrant and passionate spiritual verses have a vigour of their own and are distinguished by their vivid conversational style and moral exhortation. Guru Ji achieved 'Nirvana' in Vikram Samvat 1593 (1536 A.D.) at Lalasar, District Bikaner, Rajasthan.

In conclusion with a fundamental “Shabad” by Guru Jambheshwar Ji-

**“Vishnu Vishnu tu bhan re prani, paii key lakh upayun,
Rattan kayo baikunth baaso, tera jara maran bhaya**

In other words, “O human being, recite Vishnu Vishnu continuously so that the recital multiplies in number. This would relieve you from the fear of old age and death”.

PREFACE

Dear Candidates,

Welcome to the e-prospectus of Guru Jambheshwar University of Science and Technology, Hisar, a premier educational institute of Haryana, for the academic year 2024-25. In a time when environment protection is a biggest of a concern, it pleases me that my University is taking another small step by way of bringing e-Prospectus. This e-prospectus is a small step towards safeguarding our environment as the University is named after great environmentalist, Guru Jambheshwar Ji Maharaj. Guru Jambheshwar University of Science and Technology started its journey under the Act of State Legislature on 20th October, 1995 at Hisar, Haryana. The University was established under the Act of State Legislature that facilitates excellence in teaching and research in promising areas of higher education with focus on new frontiers of Science & Technology, Engineering Studies, Environmental Studies, Media Studies, Pharmaceutical Sciences, Management Studies, Yoga Science, Physiotherapy, Humanities and Social Sciences and also to achieve excellence in these and related fields. The University has achieved several milestones since its establishment. The University is duly recognized by the University Grants Commission (UGC) under Section 2(f) for recognition of degrees and under Section 12(B) of the UGC Act for central assistance. Today, the University spreads over 372 acres of lush green land with 10 mammoth Teaching Blocks, 28 Teaching Departments classified under 09 Faculties which houses 87 regular programmes on the campus and 21 programmes through Distance mode, 06 online courses along with Ph.D. degree programmes in most of the departments.

University is proud of its gigantic and rich infrastructure. It has prestigious state-of-the-art Ch. Ranbir Singh Auditorium which is regarded as a technical jewel in this region of the country where Seminars, Workshops, Cultural programmes, etc. are organized at both national and international levels. It has a spacious Library with around 2 Lakh Books, Research Journals, Periodicals, Magazines, and Newspapers etc. in addition to its big reading rooms. University has sufficient hostel facilities for boys, girls and working women. A huge sports Complex and two multipurpose halls for indoor games are very popular with students. It has well equipped Pandit Deendayal Upadhyaya Computer and Informatics Centre and campus wide networking cell which provides Internet and Wi-Fi facility to the entire campus. Dr. A.P.J Abdul Kalam Central Instrumentation Laboratory is a well acclaimed Centre which not only provides facilities to researchers of the University but also caters to the research needs of other Institutions of the region. Students are progressively benefitting from its Training and Placement Cell. University has well sought-after Pandit Deendayal Upadhyaya Innovation and Incubation Centre to foster innovative ideas of its students and other innovators. University Health Centre provides health facilities to all its students and employees.

The National Assessment and Accreditation Council (NAAC), has accredited this University at 'A+' Grade. In addition to this, the University has been ranked in band 101-150 among the Universities/Institutes in India as per National Institutional Ranking Framework (NIRF) in 2023. The University has secured 49th rank in Pharmacy category and 100th rank in Management category under

NIRF-2023. The University has been ranked in band 810-1000 in “Engineering” subject category in the Times Higher Education World University Rankings 2024 and 43rd position in the Country. The University has also secured 1001+ Band in the ‘Physical Science’ subject category Rankings in the Times Higher Education World University Rankings 2024. The University has also rank band 401-500 in the world in the Young University Rankings and 41st place in India, rank band 501-600 in the world in the Asia University Rankings and 71st place in India by the Times Higher Education World University Rankings 2024. Further, the University has also been ranked in band 1201-1500 in the Times Higher Education World University Rankings 2024 and 63rd place in India

The University has been granted graded Autonomy and UGC has placed it in Category-II University. This University has also been admitted for the 3rd time for Global Initiative of Academic Network (GIAN) Phase-III Scheme, a prestigious scheme of MHRD (MoE). The University has been ranked 607th World’s Most Sustainable University in 2022 UI Green Metric World University Rankings announced by University of Indonesia, Jakarta.

The University has constantly motivated and encouraged interdisciplinary collaboration and Research. The University fraternity has done its best to yield meaningful results in the area of academics, research, administration, sports and other connected activities. More than 4000 research papers have been published by the faculty in peer reviewed journals of repute which are listed in SCOPUS with >85000 citations. The h-index of the University has also gone upto 122. This is the highest h-index of any University in the State of Haryana.

The University, with its reputation at National and International front, is committed to advance its academic horizon. The University constantly endeavors to bring together academia and industry at a common platform in the form of MOUs signed time to time for the benefit of their students and provide impetus to entrepreneurship and innovation capabilities and thus participate in Nation Building efforts. The University provides a congenial academic atmosphere to nurture not only the varied interests of its aspiring students but also mentors the academic growth of its students which goes a long way in helping students to pursue their academic excellence on frontier areas of their academic programmes and achieve great professional roles in their life.

I am of the belief that the University would do more for the sustainable growth and development of academic and research culture in the campus and its affiliated colleges/institutions. I am sure that the aspiring candidates who would successfully join the University shall get a great opportunity to materialize their dreams. I wish all the best to students for their successful endeavors for their bright future.

PREFACE

Dear Candidates,

Welcome to the e-prospectus of Guru Jambheshwar University of Science and Technology, Hisar, a premier educational institute of Haryana, for Undergraduate (UG) programmes for the academic year 2024-25. In a time when environment protection is a big concern. It gives me pleasure that my University is taking another small step by way of bringing e-Prospectus. This e-prospectus is a small step towards safeguarding our environment as the University is named after great environmentalist, Guru Jambheshwar Ji Maharaj. Guru Jambheshwar University of Science & Technology started its journey under the Act of State Legislature on 20 October, 1995 by an Act of State Legislature and the preamble of the Act states that the University will facilitate and promote studies and research in emerging areas of Higher Education. The University is duly recognized by the University Grants Commission (UGC) under Section 2(f) for recognition of degrees on 11.1.1996 and under Section 12(B) of the UGC Act for central assistance on 7.2.1997.

The University has constantly motivated and encouraged interdisciplinary collaboration and Research. In the ambit of the above, the University runs Ph.D. programmes in most of the teaching Departments, besides the UG and PG programmes. For effectively running the Doctoral and Post-Doctoral programmes and independent research projects, the University has created necessary infrastructure in the form of state-of-the-art laboratories, Animal House, Electronic Databases, Research Journals and Reference Books in the University Library, High Speed Internet connectivity and above all, a supporting environment.

It has a spacious Library with around 2 Lakh Books, Research Journals, Periodicals, Magazines, and Newspapers etc. in addition to its big reading rooms. University has sufficient hostel facilities for boys, girls and working women. A huge sports Complex and two multipurpose halls for indoor games are very popular with students. It has well equipped Pandit Deendayal Upadhyaya Computer and Informatics Centre and Campus Wide Networking Cell which provides Internet and Wi-Fi facility to the entire campus. Dr. A.P.J. Abdul Kalam Central Instrumentation Laboratory is a well acclaimed Centre which not only provides facilities to researchers of the University but also caters to the research needs of other Institutions of the region.

To motivate and support the researchers to produce patentable research work, the University has established CIIP which helps in filing patents and sensitizing the researchers about patent procedures. All such good practices and new initiatives taken have led the University to earn 'A+' grade from National Assessment and Accreditation Council, Bangalore. I wish all the best to the students for their bright future.

Note :

1. The University has implemented the National Education Policy - 2020 from the academic session 2023-24 as per directions of the State Government and various regulatory bodies i.e. UGC, etc. Accordingly, the nomenclature of programmes, duration of programmes of study, curriculum and structure of existing Programmes etc. have been changed for the session 2024-25 in accordance with provisions of Curriculum and Credit Framework for all Programmes, National Higher Education Qualification Framework (NHEQF), etc. by the University as per directives of UGC/State Government. Further, the amendment, if any, in this regard i.e. nomenclature of programme(s), duration of programme of study, curriculum and credit framework structure etc. may also be made in future from time to time.
2. Upto 25% seats in each programme have been created as Supernumerary seat(s) for International Students/Candidates, which will be over and above of the total sanctioned enrolment for undergraduate and postgraduate programmes, as Public Notice dated 26th April, 2024 issued by the UGC, New Delhi.

The National Education Policy (NEP-2020) is a comprehensive and ambitious policy that aims to transform the Indian education system and makes it more student-centric, holistic and to align with the needs of the 21st century. It outlines the goals, objectives, and policies for the development and improvement of education across all levels. Some of the key features of the NEP-2020 include:

- Multidisciplinary, flexible and equitable education framework for the holistic development of learners
- Emphasis on skill-based education, vocational education and apprenticeship/internship
- Encourage critical thinking, creativity and problem-solving skills
- Increase the Gross Enrollment Ratio (GER) in higher education to 50% by 2035
- Promotion of Indian languages, art, culture and heritage
- Emphasis on Multidisciplinary, Interdisciplinary, and Trans disciplinary research to develop innovativesolutions to overcome societal issues

NEP-2020 advocates that a holistic and multidisciplinary education would aim to develop all capacities of humanbeings -intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Such a holistic education approach is necessarily required at under graduate level. The 4-year multidisciplinary Bachelor's programme, however, shall be the preferred option since it allows the opportunity to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per the choices of the student. The holistic four year under graduate education with multiple entry and exit provisions will help in matching of the undergraduate education to international standards and will facilitate the student mobility for higher studies, research, and employability across the globe.

The NEP-2020 envisages flexibility inthe design and duration of Master's degree programmes. The structure and duration of Master's programmesof study proposed by NEP-2020 include:

- (a) a 2 years Master's programme for those who have completed a 3 years Bachelor's programme
- (b) a 1 year Master's programme for students who have completed a 4 years Bachelor's programme
- (c) an integrated 5 years Bachelor's-Master's programme
- (d) a Ph.D. programme shall require a Master's degree or a 4 years Bachelor's (Honours with research)programme

Bachelor's degree (Hons. /Hons. with Research) (4 years), Integrated B.Sc. / B.Sc. (Hons. / Hons. with research)-M. Sc programmes, (5 years) and Integrated Bachelor's degree (Field of study/discipline)-Master's programme (5 years)

Year	Type of Certificate/Diploma/Degree	Qualification title/nomenclature and programme duration
1 st year	Undergraduate Certificate	Undergraduate Certificate (Field of study/discipline) of the undergraduate programme after summer internship of four credits.
2 nd year	Undergraduate Diploma	Undergraduate Diploma (Field of study/discipline). (Programme duration: First two years (first four semesters) of the undergraduate programme, after summer internship of four credits.
3 rd year	Bachelor's degree	Bachelor of (Field of study/discipline) the undergraduate programme Examples: Bachelor of Arts (B.A.), Bachelor of Science (B.Sc.).
4 th year	Bachelor's degree (Honours/Honours with Research)	Bachelor of (Field of study/discipline) (Honours with Research).
5 th year	Master's degree	Master of (Field of study/discipline): Programme duration: One year (two semesters) in the case of those who have obtained a 4-year/8-semester Bachelor's (Honours/Honours with Research) degree.

After successfully completion of first and second semesters of Postgraduate programme, if a student wants to exit the programme then PG Diploma in concerned discipline will be awarded. However, after successfully completion of all four semesters, Postgraduate Degree in concerned discipline will be awarded.

The main features of Curriculum and Credit Framework include

- i. Opportunity for learners to choose the courses of their interest in all disciplines
- ii. Provision of multiple entry and exit options with a UG Certificate or UG Diploma or UG Degree depending on the number of credits earned
- iii. Flexibility for students to move among the institutions through the implementation of Academic Bank of Credits (ABC)
- iv. Flexibility to switch to alternative modes of learning (Offline, ODL, Online, and Hybrid modes)
- v. Versatile curricular framework for holistic development of graduate

DR. A.P.J. ABDUL KALAM CENTRAL INSTRUMENTATION LABORATORY

The Dr. APJ Abdul Kalam Central Instrumentation Laboratory is nestled within the vibrant campus of Guru Jambheshwar University of Science and Technology, Hisar. Since its inception in the year 2000, this cutting-edge facility has been a beacon for students, research scholars, and teachers actively involved in groundbreaking R&D pursuits across the dynamic realms of Science, Technology & Engineering. Our state-of-the-art laboratory, currently housed in a modern structure spanning an area of 7212 sq.ft and adorned with modern amenities, is tailored to inspire scientific excellence. Researchers from about 70 academic institutions and research centers nationwide have already experienced the transformative capabilities of our facilities. Over the years, the laboratory has acquired sophisticated equipment funded by the DST under the PURSE program and MHRD under the RUSA scheme. Apart from supporting researchers through sample testing, the CIL conducts training programs for skill upgrading of research scholars and capability enhancement of technical staff. The CIL is presently having sophisticated Instruments like –

Liquid Chromatography-
(JSM-7610F Plus JEOL)
Spectrometer (LC-MS/MS QTOF)
(Triple TOF 5600⁺, AB SCIEX)

Mass High Resolution Field
Emission Scanning Electron
Microscope with EDS
(FE-SEM)

FT-NMR Spectrometer
(400MHz Bruker)

Multipurpose versatile XRD
System

MALAVIYA MISSION TEACHER TRAINING CENTRE

The UGC-Human Resource Development Centre (HRDC) of the University has been renamed as UGC-Malaviya Mission Teacher Training Centre (MMTTC) in November, 2023. The centre was established during the 11th Plan (2009) in accordance with the National Policy of Education (NPE-1986) with a vision 'To Facilitate Human Development and Professional Excellence in Academics' and a mission 'To equip and enrich the participants with requisite professional and personal skills to make them grow as excellent human beings for their best possible contribution in personal, professional and societal domain.

The objectives of MMTTC are to enhance the participants' motivation, skills and knowledge through systematic orientation in specific subjects, techniques and methodologies, and thereby inculcate the right kind of values that would in turn encourage them to take initiatives for innovative and creative work. The functions of MMTTC in the university are to plan, organize, implement, monitor and evaluate a variety of programmes for diverse stakeholders.

- Faculty Induction Programmes are organized for newly appointed Universities and Colleges teachers to acquire and improve art of teaching, to understand the linkages between education and economic, socio-economic and cultural development, to utilize opportunities for development of personality, initiative and creativity, and to promote computer literacy as well use of ICT in teaching and learning process.
- Refresher courses are organized for corporately senior Universities and Colleges teachers to keep abreast of the latest developments in their specific subjects, and also to understand the organization and management of a college/ university and to perceive the role of teachers in the total system.
- Interaction programme-cum-workshop for the Ph.D. Scholars is also organized on the theme of `Research Methodology` to sharpen their research skills and facilitate their research work.
- Short-term programmes ranging from 2-3 days to one week are also organized for academic staff, non-academic staff, and Ph.D. scholars on need based themes.
- Programmes for Heads of departments, Principals, Deans, Officers, etc. are organized with a view to acquaint and sharpen the top-level administration skills which is helpful for effective decision making and its implementation to achieve the excellence in the connected fields.

While following the UGC instructions, the MMTTC also organizes special courses for teachers to sensitize them in key areas like Disaster Management, Values and Spiritualism etc. In addition to UGC sponsored programmes the MMTTC also organized the need based programmes on Faculty Development, Staff Development, Capacity Building, and Research Methodology for Ph.D. scholars funded by other national and international agencies like RUSA, World Bank and Indian Council for Social Science Research (ICSSR), MHRD etc. MMTTC also conducted AICTE sponsored Professional Development Programme along with programmes of State Training Policy for Non-Academic Staff of university.

The centre was selected among the ten HRDCs under RUSA Scheme of MHRD, Govt. of India and sanctioned a grant of Rs. 1.00 Crore. This grant was utilized for Faculty Quality Improvement Programmes and for Infrastructure Development. In addition, the Department of Higher Education, MHRD, Govt. of India had notified UGC-HRDC, GJUS&T, Hisar as National Resource Centre (NRC) for conduct of Annual Refresher Programme in Teaching (ARPIT) on Pedagogical Innovations and Research Methodology. Three programmes ARPIT-2018, 2019 & 2020 were successfully conducted through SWAYAM portal.

An international project from the university of Nova-Gorica & UNESCO chair on Open Technologies for OERs entitled Emergency Remote Teaching: Response of Pandemic Pedagogy as A New Normal Teaching has been designed and delivered in 2022. Some new initiatives like Blog, Youtube Channel and Online Radio have also been initiated to enhance skills among teachers.

The National Assessment and Accreditation Council (NAAC) has judged the centre of the University as First out of 66 Academic Staff Colleges in the country and put it in the front-seat in 2012.

As a whole the MMTTC endeavours to cater to training and development needs of teachers, academic administrators, researchers and non-academic staff. The prospective plans are to make this centre as a full-fledged "Training Centre for Academia and Administration: and to transform it into "Knowledge Disseminating and Resource Generation Centre" for the university by way of providing Training, Development and Consultancy facilities.

STUDENTS' WELFARE

The office of the Dean Students' Welfare looks after Students' Welfare in numerous ways and also monitors various cultural activities. Some important facilities provided by this office are as follows:

“Earn While You Learn” Scheme

The spirit of the scheme is based on the idea of enabling needy students to meet some educational expenses with dignity. This scheme provides support to some needy students for Department/ office related work for fixed hours in a week with remuneration Rs. 100/- per hour subject to maximum of Rs. 2400/- per month.

Financial Assistance to the Needy Students

Dean Students Welfare office provides financial assistance every year to the needy students of various Departments as per the criteria set by the office/university.

Funding of Educational & Industrial Tours

Office of Dean Students Welfare bears 50% of expenditure incurred on Educational tours & Industrial tours for regular students of the University. The University also provides to the students free of cost participation in various sports tournaments, inter-university youth festival and industrial visits, if they are part of course curriculum etc. Bus services are also provided in the campus for commuting from city gate to TB-VII during morning and evening hours. Educational/ Industrial/ Cultural/ Sports tours were arranged for the students of different departments of the university.

Students Insurance Safety Policy

The Regular students of the University Teaching Departments are insured for Rs. 1,00,000/-. It also covers Medical Expenses under accidental cases up to Rs. 25000/-. During the year (2023-24) 7341 students were insured under “Students Insurance Safety Policy” with The Oriental Insurance Co. Ltd, Hisar.

Railway Concession Vouchers Facility

The students from far off places are provided Railway concession vouchers for visiting their homes during vacations and attending academic activities at far off places.

Financial help for various Functions

This office extends financial help for organization of students' functions/seminars/workshops by various University Teaching Departments and students Council Election of GJUST are also conducted by this office.

CULTURAL ACTIVITIES

The Directorate of Cultural Affairs works under the aegis of Dean Students Welfare. This department is entrusted with the responsibility to showcase the rich cultural diversity of India by providing the platform to the students to explore their talents at utmost level. The cultural activities foster the feelings of brotherhood, unity, peace and leadership and nationalism among the future torch bearers of the nation. These activities infuse not only new energy among the students to relax themselves from the pressures and stress but also instill in them the confidence to display the talent which otherwise might remain hibernated in them. The department organizes many activities under the broad categories to theatre, dance, music, literary and fine arts. These activities are testament to the limitless potential of our students and motivates them to embrace our rich cultural diversity. Following are some of the important cultural activities being organized from time to time:

- **Talent Search Competition**

Talent search competition provides an opportunity to newly admitted regular students of the university to show their talent in theatre, dance, music, literary and fine arts and win prizes. This competition boosts the self confidence and self-esteem of young students.

- **Swagtam**

A welcome gesture by senior students of various departments of the university where they welcome the newly admitted students by performing various cultural activities on stage.

- **Zonal level Youth Festival/ Inter Zonal Youth Festival/ Inter University North-West Zone Youth Festival/National Youth Festival**

The organization of university Youth Festival is a regular feature of the university. Youth festivals are not only a celebration rather it is an incubator of growth for budding youth. These youth festivals are not merely a competition but it's a carnival of creativity, dreams, enthusiasm, talents and camaraderie. These festivals are melting pot of ideas where students engage in discussions, exchange ideas, explore new horizons and showcase their talents. UTD and students of affiliated colleges participate in these youth festivals.

From the year 2023, Youth festivals are organized at 02 levels (Zonal youth festivals in the respective zones and Inter-Zonal Youth Festival at university level). The selected/winning students of the youth festival will then move to North-West Zone Youth Festival and then to National Youth Festival

- **Abhivyakti**

This is an interdepartmental level competitive cultural activity where the students of various departments perform on stage showcase the rich cultural diversity of India.

Besides this regular students of the university perform cultural activities on important days like Independence Day, Republic Day and the like.

ENFORCEMENT OF STUDENTS DISCIPLINE, GOOD BEHAVIOR, RESIDENCE AND HEALTH

For dealing with day-to-day disciplinary matters concerning students a Committee on Students discipline and welfare (Proctorial Committee) has been constituted to monitor the disciplinary climate prevailing in the student community and to maintain the Law-and-order situation on the University campus. The Proctor is responsible for the enforcement of the condition relating to Residence, Health and Discipline as laid down in the concerned ordinance.

UNIVERSITY WOMEN'S CELL

Women Cell in the university has been established to develop and maintain an environment for women's safety, dignity and equality in the campus so that she can avail equal opportunities and take all the steps required in this direction. The Women Cell consists of 5 members including senior persons from teaching and non-teaching staff. Gender is a major concern in the policies of government and UGC. Women Cell aims to create awareness and make the staff and students familiar with women related issues and rights and enable the students to critically analyse the women's issues to form right perspectives. Contributing to the visibility of gender issues, the cell opens a genuine dialogue among scholars, faculty, staff and students through talks and discussions.

Women Cell follows a strategy that involves the personality development of women in divergent fields. The cell is active in working towards women empowerment and gender sensitization of our young women. This cell aims to provide a platform to young women to voice their thoughts and opinions and to share their experiences. Women Cell organizes workshops and lectures on all issues concerning women.

NATIONAL SERVICE SCHEME

The Moto of the National Service Scheme (NSS) is "Not Me, But You". This expresses the essence of democratic living and upholds the need for selfless services to appreciate the other person's point of view. It shows consideration for fellow human being. It underlines that the welfare of individual is ultimately dependent on the welfare of the society as a whole. The NSS Cell of Guru Jambheshwar University of Science and Technology is involved in inculcating the feelings of empathy and self-extension among students. The NSS Cell works with the objective to uphold and promote the values of communal harmony, patriotism and National Integration among

students as well as community members through various activities. Special camps, State Level camps, National Integration camps, Adventure camps are the integral part of NSS Cell of GJUST, Hisar. The NSS Cell has been actively involved in community service and organizing awareness programmes related to prevention of HIV/AIDS, female foeticide, drug addiction etc. NSS volunteers are also involved in the activities related to women empowerment, financial & legal literacy, personality development, plantation, cleanliness, health & hygiene, blood donation, digital and cashless India etc.

OFFICE OF DEAN INTERNATIONAL AFFAIRS

The Office of the Dean, of International Affairs (DIA) at Guru Jambheshwar University of Science and Technology (GJUST) supports international students and collaborates with university authorities, the Indian Council for Cultural Relations (ICCR), and other agencies. It coordinates with various university Deans and maintains links with International Alumni to ensure student welfare. The office facilitates partnerships with foreign universities, institutes and industries for research, teaching and exchange programs, aiming to promote academic excellence in science, technology, environment, management and pharmacy. It also organizes international conferences and workshops to enhance academic and scientific collaboration.

Prospective international students must fill out an admission form available on the university website and email it to deania@gjust.org. The DIA assists with hostel accommodations, expenditure certificates and remittances. About 85 international students are currently enrolled in GJUST and its affiliated colleges. Seats are available for Non-resident Indian (NRI) candidates and eligible foreign nationals sponsored by the Government of India. Provisional admission letters are issued to facilitate student visa processes with final admission contingent on the presentation of a foreign passport and student visa. All university rules apply to foreign students.

ALUMNI RELATIONS

Department of Alumni Relations was established to promote bonding between the University and Alumni. The vision of the Department is to honor distinguished Alumni of the University, who have brought national and global acclaim in their respective domains. With the wide experience and expertise of the Alumni, Department looks towards the Alumni for suggestions, for the development of the University. The Department provides an interactive platform so as to establish a link between Alumni and the students of the University. For this, Department of Alumni Relations organizes Alumni meet at University level and also encourages individual Departments to organize alumni meet at the Department level. The Department encourages and motivates the capable alumni of the University to raise various endowment funds and award stipends, free ships, scholarships, fellowships, medals etc. for the benefit of the deserving students of their alma mater. Department welcomes all Diploma/Degree holders of University, members of the teaching faculty of the University & affiliated Colleges to enroll themselves as members of the Alumni Association.

CENTRE FOR COUNSELING AND WELL-BEING

Considering the mandate of UGC and NEP 2020, Guru Jambheshwar University of Science and Technology, Hisar has established a centre for counselling and Well-Being for holistic wellness of students and employees of the university as well as to serve the community at a large. The basic objective of the centre is to conduct policy researches on Happiness and Well-being, Promoting Positive Mental Health, Positive Youth Development, Conflict Resolution and to address the issues related to stress, anxiety and other mental health concerns. To achieve the objectives, the Centre will organize workshops, training programmes, community outreach programmes and counselling services for the better wellbeing of students and employees.

NATIONAL CADETS' CORPS (NCC)

NCC in India was conceptualized and raised before independence, mainly with an aim to groom the youth, boys and girls both, nurture them and channelize their energy towards nation building by making them responsible citizens of the country. After independence, the present day NCC came into existence on 16 Apr 1948, through XXXI Act of Parliament. NCC is a voluntary organization which is administered through the Ministry of Defence. NCC was established in the GJUST during session 2018-19. There are three subunits of NCC in the university i.e.

- Army (Girls) under the control of 3 Haryana Girls Battalion NCC Hisar.
- Army (Boys) under the control of 3 Haryana Battalion NCC Hisar.
- Air Wing under the control of 1 Haryana Air Squadron NCC Hisar.

The Motto of NCC is “Unity and Discipline”. The main objective of NCC is to develop a highly motivated, patriotic, selfless, disciplined, and enterprising youth - who is capable of providing leadership in any walk of life for the betterment of the nation. NCC activities are based on certain core values to prove it a responsive, learning and continuously evolving organization. NCC training philosophy is based on the concept “Empowerment of Youth” to earn the “Right to lead”. Training methodology consist of Institutional Training, Camp Training, Social Service and Community Development, Personality Development, Competence Assessment/Certificate Examination.

Currently NCC training is imparted as extra-curricular activity to volunteer students of university who enroll as cadets. University has implemented the scheme and syllabi of NCC as Additional/Optional course as per NEP, 2020 under CBCS from academic session 2021-22 for the students of B.Tech. Programme who enrolled as NCC cadet. NCC course consisted of 24 credits in total for 6 semesters distributed as 08 credit for theory, 06 credits for practical and 10 credits for two annual training camps. Further, National Cadet Corps (OE-NCC-391-T) is also implemented as Open Elective Course in 5th semester for all the students of B.Tech. Programme except the students enrolled in NCC from academic session 2021-22.

Youth Red Cross

The Youth Red Cross, the youngest wing of Indian Red Cross Society, Haryana State Branch is working in all Institutions at State level. As the name implies, the youth power, when committed to the service in Indian Red Cross Society, can attain spectacular achievements. The students of the Colleges/Universities/ Institutions join the Youth Red Cross voluntarily. Though no hard and fast rules are laid down regarding Youth Red Cross activities, the programmes as far as possible are as per the guidelines of IRCS, Haryana State Branch, Chandigarh.

Moto of the Red Cross is **Health Service Friendship**. Youths are the pillars & future leaders of the Country. Today’s youth is tomorrow’s India. In our country the age group between 15 to 35 is considered as Youth. More than half of our total population is youth. To achieve national developments, efforts are to develop youth resources, which is of vital importance in this century of advancing technology. It is feeling of youths that the educational, social and political systems do not take care of their welfare and developments sufficiently and utilize their energy resources fully for national development. Motivating youths, instilling in them a sense of volunteering service, enhancing self-confidence, self-esteem and self-identity and developing like skills among youths constitute and enable to achieve national development.

Keeping the above areas in views the Youth Red Cross GJUST, Hisar has established YRC at University level and in the affiliated colleges under the jurisdiction of GJUST Hisar to implement a number of activities by involving the Youth Red Cross volunteers. For more than a decade the YRC volunteers have been in the forefront of several humanitarian activities to ensure the much needed increase in the enrolment of Youth Red Cross volunteers and encourage the momentum for the establishment of YRC.

CHAPTER-3

ABOUT THE DEPARTMENTS AND PROGRAMMES OFFERED

3.1 FACULTY OF ENGINEERING & TECHNOLOGY

1. Department of Computer Science & Engineering

Programme(s) offered:

- (a) Ph.D.
- (b) M.Tech. (Computer Science and Engineering) (2 years, Semester System)
- (c) Masters in Computer Applications (MCA) (2 years, Semester System)
- (d) Integrated BCA – MCA [Master of Computer Applications (Integrated)] (5 years, Semester System)
- (e) B.Tech. (Computer Science and Engineering) (4 years, Semester System)
- (f) B.Tech. (Information Technology) (4 years, Semester System)
- (g) B.Tech. Computer Science and Engineering (Artificial Intelligence and Machine Learning) (4 years, Semester System)

The vision of the Department is to become a centre of excellence for education in Computer Science and Engineering, Information Technology and Computer Applications. The department nurtures young minds into leaders of tomorrow in the field of higher education, research & development, and corporate world and aim to produce creators and innovators who will work towards the overall well-being of the society. The mission of the Department is to impart state-of-the-art knowledge in Computer Science and Information Technology, to foster linkages between the Department and public and private sectors, traversing research establishments as well as information technology industry and to promote ethical research of high quality. Further, the Department strives to adopt the best pedagogical methods in order to maximize knowledge transfer, to inculcate a culture of free and open discussions in the Department and to engage students in learning, understanding and applying novel ideas. The other priorities of the Department are to infuse professionalism, enthusiasm, team spirit and a zest for lifelong learning into students.

M.Tech. (Computer Science and Engineering)

The M.Tech. Programme has produced many post-graduates who are now working in the institutions of national and international repute. The objectives of the M.Tech. Programme are:

- To set high academic goals for the graduating students and to train them in applying and extending the knowledge to the benefit of the society.
- To produce Postgraduates with a sound theoretical and practical knowledge in the discipline of Computing Science and Engineering.
- To create knowledgeable and enthusiastic teaching professionals for Institutions of higher education.
- To craft technically competent, proficient and responsible professionals for I.T. sector.
- To establish a research tradition that supports our post-graduates for pursuing research careers in premier universities and research institutes/organisations in India and abroad.

Masters in Computer Applications (MCA)

The objective of the MCA Programme is to provide a modern, industry-oriented education in applied computer science. The Programme focuses on providing a strong theoretical background as well as a comprehensive practical exposure to students. Its design lays more emphasis on latest programming frameworks and tools for developing better and faster applications. The aim of the Programme is to train students to meet the demands of professionals in a wide spectrum of application areas like education, research, software development, system analytics and design, web design, healthcare, banking, insurance, marketing and management etc.

Integrated BCA - MCA

The objective of the BCA-MCA Programme is to provide a modern, industry-oriented education in applied computer science. The Programme focuses on providing a strong theoretical background as well as a comprehensive practical exposure to students. Its design lays more emphasis on latest programming frameworks and tools for developing better and faster applications. The aim of the Programme is to train students to meet the demands of professionalism a wide spectrum of application areas like education, research, software development, system analytics and design, web design, healthcare, banking, insurance, marketing and management etc.

B.Tech. (Computer Science and Engineering)

B.Tech. (Information Technology)

B.Tech. Computer Science and Engineering (Artificial Intelligence and Machine Learning)

The objectives of the B.Tech. Programmes in CSE and IT are to mould the graduating students into high quality technical force to take up jobs in the industries related to Computer Science and Engineering, Information Technology, Artificial Intelligence & Machine Learning and to prepare them to take up higher studies in institutions of national and international repute. The graduates in Computer Science/Information Technology will be able to establish themselves as dexterous professionals capable of solving real world problems by applying emerging technology, Artificial Intelligence & Machine Learning, innovative methods, communicating effectively and showing an individual confidence as well as a team spirit.

2. Department of Printing Technology

Programme(s) offered:

- (a) Ph.D.
- (b) M.Tech. (Printing Technology) (2 years, Semester System) **(Zero Session)**
- (c) B.Tech. (Printing Technology) (4 years, Semester System)
- (d) B.Tech. (Packaging Technology) (4 years, Semester System)

The Department of Printing Technology is one of the premier departments in the field of Printing Technology which was established with a motive to impart high quality teaching & practical exposure to the prospective students. Printing Technology is a matured field, whereas Packaging Technology is relatively a new concept and it is growing at 15% per annum in India, it is also projected to grow even more in coming years. State of art facilities are created in the department to provide complete practical exposure to the students along with regular summer Industrial trainings, industrial visits, live project work, seminar, workshops, conferences and expert lectures are conducted at a regular interval of time. Placement of the students is one of the major plus point of the Department and continuous efforts are carried out so that each student gets proper care and attention during the study tenure and even after completion of the programme also.

It's not a dictum that the world of Packaging is expanding day-by-day. In packaging industry sector, the lack of trained manpower is one of the biggest concerns. The Department of Printing Technology has revived B.Tech. programme in Packaging Technology from 2016-17 session. The students will get acquainted with the theory aspects as well as with the practical & routine problems related with Packaging field.

3. Department of Electrical & Electronics Engineering

Programme(s) offered:

- (a) Ph.D.
- (b) M.Tech. (Electronics and Communication Engineering) (2 years, Semester System) (**Zero Session**)
- (c) B.Tech. (Electrical Engineering) (4 years, Semester System)
- (d) B.Tech. (Electronics and Communication Engineering) (4 years, Semester System)
- (e) B.Tech. (Electronics and Computer Engineering) (4 years, Semester System)

M.Tech. (Electronics and Communication Engineering)

In today's global economic environment, engineers are required to play a vital role in bringing the prosperity to the nation. In this era of global village, the convergence of Electronics and Communication Technology is opening endless and exciting possibilities in almost every sphere of human activity. The wireless mobile phone along with High Speed Internet has brought the world of information into a small pocket. Further, VLSI technology has miniaturized the world and empowered the human beings with latest technology at the most competitive prices.

The M.Tech programme in Electronics & Communication will cater the growing demands of technocrats in industry not only locally but also globally. There is huge potential for PG students in getting placements and to grow themselves in the diverse field of Electronics & Communication which includes Microelectronics, VLSI design, Wireless & Optical Communication, Advanced Digital Signal Processing, Embedded Systems, etc.

B.Tech. (Electrical Engineering)

Electrical Engineering is a broad field that encompasses many sub-fields those deal with electrical power generation, transmission & distribution, automatic control, renewable energy, electrical vehicles, artificial intelligence, internet of things, smart grid and distributed generation. The world is moving towards the era of Smart Grid and alternative sources of energy such as hydel, solar and wind power leading to exceptional growth in the field of Electrical Engineering. It is an evergreen field and has potential to create technocrats to cater needs at local and global level. The aim of the department is to evolve as the "Centre of Excellence" in technical education and research by preparing students competitive globally. The University provides very strong educational platform that not only prepares the students to become self-motivated, but dedicated and focused professionals as well.

B.Tech. (Electronics and Communication Engineering)

The importance of Electronics & Communication Engineering has already been recognized by the entire world. It has revolutionized the life of human beings. There is no other field of knowledge, which has affected our life so much as Electronics, in such a short period of time. It has created so many comforts, which nobody could have imagined till a few years ago. The rate of growth in the field of electronics and communication engineering has been unprecedented and likely to grow more & more. Being an evergreen field, this has great potential to create technocrats to cater not only locally but globally.

B.Tech. (Electronics and Computer Engineering)

Electronics and Computer Engineering is integration of two engineering fields' electronics and computer blended to meet the contemplating global demands of electronics and computer based industries in today's world. The global increase in the electronics and computer based industries is not hidden from anyone. This global expansion has increased the market demand and value hence the job opportunities are flooded for the young hands to grab.

4. Department of Mechanical Engineering

Programme(s) offered:

- (a) Ph.D.
- (b) M.Tech. (Mechanical Engineering) (2 years, Semester System)
- (c) B.Tech. (Mechanical Engineering) for Working Professionals (3 year-Semester System)
- (d) B.Tech. (Mechanical Engineering) (4 years, Semester System)
- (e) B.Sc. (Aviation)

The Mechanical Engineering Department seeks to combine excellence in education and research with service to society. The goal of our academic programme(s) in Mechanical Engineering is to provide students with a balance of intellectual and practical experiences that enable them to address a variety of societal needs. We seek to produce future leaders for industry, academia, government, and society- leaders whose vision is founded upon fundamental knowledge, analytical skills, creativity, perspective and ethics. The M.Tech. programme caters the need of various industries particularly aerospace, defence and scientific industries. With the introduction of this course, we can create the centre of excellence in the field of Mechanical Engineering. Students trained under this programme will be capable enough to take over the challenges related to the design and manufacturing of the sophisticated components required in aerospace, auto industry, defence etc.

B.Sc. (Aviation)

The objective of the Bachelor of Science (B.Sc.) in Aviation programme is to prepare students for prosperous careers across a range of sectors within the Aviation Industry such as airlines, airports, aviation authorities, aerospace companies and affiliated organizations. This is achieved by providing them with the essential knowledge, skills and mindset needed to excel in diverse rolls within the aviation sector.

5. Department of Civil Engineering

Programme offered:

- a) B.Tech. (Civil Engineering) (4-year, Semester System)

The four-year B.Tech. programme in Civil Engineering assign with the design, construction, plan, management and maintenance of the Civil Engineering system and natural environment built such as bridges, roads, canals, dams, and buildings. The department provides resourceful faculties which inculcates strong links with the infrastructural industry and academic research institutions both

within and outside the country. Except from the various government departments, construction industry and eminent academicians are also invited for guest lectures on current technical development in the civil engineering field for student interaction. Department offers well equipped labs to facilitate practical knowledge, skills and using up-to-date techniques among students. Programme offers benefits to the students of providing them professional, legal, ethical, social issues and responsibility.

6. Department of Artificial Intelligence and Data Science

Programme offered:

- (a) Ph.D.
- (b) M.Sc. Computer Science (Artificial Intelligence and Data Science) (2 years, Semester System)
- (c) B.Tech. (Artificial Intelligence and Data Science) (4 years, Semester System)
- (d) Integrated B.Sc. (Hons./Hons. with Research) – M.Sc. Computer Science (Artificial Intelligence and Data Science) (5 years, Semester System)

Integrated B.Sc. (Hons./ Hons. with Research) –M.Sc. Computer Science (Artificial Intelligence and Data Science)

The University has started B.Sc. (Hons./Hons. with Research) Computer Science (Artificial Intelligence and Data Science) from the session 2023-24 as per National Education Policy 2020. Now, the nomenclature of the programmes has been changed to Integrated B.Sc. (Hons./Hons. with Research) – M.Sc. Computer Science (Artificial Intelligence and Data Science) from the academic session 2024-25. Artificial Intelligence and Data Science is a rapidly growing academic discipline fueled by the proliferation of rich and complex data emerging from activities in science, industry and governments. As a result, there is very high demand for data science professionals across the nation and globe and this market is expected to continue to grow in the next decade. The courses in the data science program are designed to provide students with the requisite background and knowledge that would enable them to take jobs with significant data science components like establishing and operating data analysis pipelines.

B.Tech. (Artificial Intelligence and Data Science)

Graduates will demonstrate proficiency in designing and implementing advanced machine learning algorithms and techniques to extract meaningful insights from large and complex datasets, enabling effective decision-making across diverse domains. Graduates will possess the capability to develop innovative AI-based solutions for addressing real-world challenges in areas such as business analytics, natural language processing, computer vision and autonomous systems, fostering advancements in technology and society. Graduates will be adept at integrating theoretical knowledge and practical skills in artificial intelligence and data science with ethical considerations, ensuring responsible and sustainable deployment of AI technologies to address societal needs and promote equitable outcomes.

3.2 FACULTY OF ENVIRONMENTAL AND BIO SCIENCES & TECHNOLOGY

1. Department of Environmental Science & Engineering

Programme(s) offered:

- (a) Ph.D.
- (b) M.Tech. (Environmental Science and Engineering) (2 years, Semester System)
- (c) M.Tech. (Geo Informatics) (2 years, Semester System)
- (d) M.Sc. (Environmental Sciences) (2 years, Semester System)

Establishment of the Department of Environmental Science and Engineering is in line with one of the objectives of the university enshrined in its preamble to facilitate and promote studies and research in the field of Environmental Studies and Non-Conventional Energy sources. The department has innovative, dynamic and flexible course curricula in which students have choice to select the courses of their interest and undertake research projects. We strive to fulfill our vision, "Pursuance for excellence to achieve sustainable development", our mission "To impart training for capacity building to tackle

various environmental challenges in an eco-friendly manner", and our objectives "To offer professional and job oriented course curricula to strengthen R&D activities and to offer consultancy and extension activities to stake holders". The faculty members are engaged in research in the frontier areas of science and technology. There are a number of R & D projects supported by various government agencies being implemented in the department. The laboratories are equipped with "State-of-the-Art" facilities. Students are provided with enabling ambience that promotes culture, sports, societal contributions, art, self-governance and human values. After successful completion of Phase-II, the department has again been inducted in the Technical Education Quality Improvement Programme-III (TEQIP-III) of the World Bank and Special Assistance Programme-III (SAP-III) of the University Grants Commission (UGC), New Delhi. The department has received FIST Grant from DST for infrastructure development.

M.Tech. (Environmental Science and Engineering)

The programme has been approved by AICTE and accredited by NBA and provides enormous opportunities to the students for achieving technical and practical excellence through academic networking with reputed institutes, regular workshops, seminars, industry visits and collaborative research. This programme has specially been designed with an integrated approach involving the latest advances in Physical and Biological Sciences, Engineering to deal with environmental problems and their remediation. The students after completing M.Tech. have career option in University and Engineering colleges, Industry, Environmental Consultancy Firms, Pollution Control Board, Centre and State Govt. Department, Environment, Health and Safety office, Environment Auditing etc.

M. Tech. (Geo Informatics)

The fast emerging technologies of Remote Sensing (RS), Geographic Information System (GIS), Global Positioning System (GPS) and Information and Communication Technologies (ICT) have converged into a discipline with its own research base known as Geo-Informatics. The technology helps in acquiring information about the earth and its resources in spatial format and help in analyzing large datasets. To cater to the fast-increasing demand for the trained manpower in the field of Geo-Informatics, both for public and private sectors, the Department of Environmental Science & Engineering has started a two years M.Tech. Programme in Geo-Informatics in collaboration with Haryana Space Application Centre (HARSAC), Department of Science & Technology, Government of Haryana, Panchkula. Under this programme, GJUS&T, Hisar makes admissions, conducts examinations and awards degrees. Top 5 (Five) students in each semester of M.Tech. (Geo-Informatics) is provided the HARSAC merit-cum-means Scholarships of Rs. 5000/- per month (Rupees Five Thousand only) subject to grant received from HARSAC. The Guidelines of above scholarship is available on university website.

M.Sc. (Environmental Sciences)

The two years M.Sc. programme in Environmental Sciences is aimed at building a strong theoretical base in every aspect of environment, providing intensive practical training on modern instrumentation and analytical techniques and developing problem-solving and research skill in the students. The programme is designed in such a way that the students get in-depth knowledge of scientific, technical, economic, legal as well as social aspects of environment. Short term in-plant training and practical exposure equip them well to take up challenging jobs in the field as well as industry besides academic and research organizations. Regular seminars, workshops, extension lectures, quiz, industry visits, educational tours, competitions and awareness campaigns expand the horizon of knowledge and skill of the students. The students after completing the course have career options in industry, Pollution Control Boards, National and State Govt. Departments concerned with Forestry, Wild Life, Atmospheric and Oceanic Sciences, Remote Sensing & GIS and Environmental auditing besides academics research.

2. Department of Biotechnology

Programmes offered:

- (a) Ph.D.
- (b) M.Sc. (Biotechnology) (2 years, Semester System)
- (c) M.Sc. (Microbiology) (2 years, Semester System)
- (d) M.Sc. Botany (2 years, Semester System) as per NEP-2020
(Department of Biotechnology is Mentor Department)
- (e) Integrated B.Sc. (Life Sciences) - M.Sc. Biotechnology/Microbiology/Botany/Zoology/Chemistry
(5 years, Semester System)

The Department aims to generate trained manpower in the areas of Biotechnology, Microbiology and Botany attempts to integrate research and teaching to harness maximum potential. The department has emerged as a centre of excellence in imparting quality teaching and training at post-graduate level and propagating research activities in diverse fields of this important science. Such programmes will not only equip the students with sound knowledge and expertise but will also create avenues for research and job opportunities in future and for self-employment. The department is equipped with ultra-modern equipment with state-of-the-art laboratory facilities and has dedicated faculty engaged in the genetic improvement of industrially, agriculturally and medicinally important plants and microbes through advanced techniques in biotechnology as well as genetic studies on domestic animals. Development of nano sensors and synthesis, application and toxicological studies of nano materials is being rigorously pursued. Department has been supported under SAP/DRS-II Program from UGC, New Delhi, FIST-II from DST, New Delhi, TEQIP-World Bank Assisted Project, DST Nanomission grant and DBT PG Teaching grant and has excellent Bioinformatics facility.

M.Sc. (Biotechnology)

The M.Sc. (Biotechnology) programme is supported by the Department of Biotechnology, Ministry of Science and Technology, Govt. of India, New Delhi. Students have to undertake dissertation work of during the 4th semester which forms an integral part of the programme, major thrust being on research areas pertinent to plant biotechnology, animal biotechnology, microbial biotechnology and nano biotechnology. Each of the enrolled students under DBT sponsored seat is eligible for monthly stipend as per DBT guidelines. The M.Sc. (Microbiology) programme is offered for imparting quality education for commercial exploitation of microorganisms for the production of value-added products and services.

M.Sc. Botany as per NEP-2020 (Department of Biotechnology is Mentor Department)

The Department of Bio & Nano Technology has introduced Master of Science (M. Sc.) in Botany with effect from 2023-24. M.Sc. Botany course is best suited for the students who have completed their graduation in botany or integrated biology (biological sciences), and are looking to pursue a course that will have an adequate mix of mainstream biology along with genetics and biotechnology. During

this course, a candidate is given a complete idea about the entire plant kingdom and plant physiology, along with some additional topics related to genetics, biotechnology, cell biology, microbiology, and ecology.

Integrated B.Sc. (Life Science) - M.Sc. Biotechnology/ Microbiology/ Botany/ Zoology/Chemistry

The Department has started Integrated degree programme of B.Sc.(Life Science)-M.Sc. Biotechnology/Microbiology/Botany/Zoology/Chemistry from the session 2023-24 as per National Education Policy 2020 with an aim to nurture budding scientific talent towards pursuit of biotechnology/Microbiology/Botany/Zoology/Chemistry. It is a flexible and integrated program of study which promotes student to be specialized in Biotechnology/Microbiology/Botany/Zoology/Chemistry. Apart from the basic and advanced courses in natural/biological sciences, the curriculum enables the student to undertake a Summer Internship of 4 weeks. This unique course blends the best of basic and applied biological sciences to create professionals who are equally comfortable with both science and technology.

3. Department of Food Technology

Programmes offered:

- (a) Ph.D.
- (b) M.Sc. (Food Technology) (2 years, Semester System)
- (c) M.Tech. (Food Technology) (2 years, Semester System) (**Zero Session**)
- (d) B.Tech. (Food Technology) (4 years, Semester System)
- (e) B.Voc. (Food Processing & Engineering) (3 years, Semester System)

M.Sc. (Food Technology)

The Department offers M.Sc. Food Technology programme to support the growing demand of food industries for qualified human resources. A background in the science is a prerequisite to seek admission to the post-graduate programme. During the programme, the students learn about the different aspects of food in the field of food engineering, food packaging, cereals, pulses, oilseeds technology, fruit & vegetable technology, animal product technology, food biochemistry, nutritional evaluation, microbiology, quality control & safety. In-plant training of about 6 weeks is an integral part of the course curriculum. During training, the students are exposed to real business environment by making them proficient in communication, computer & managerial skills.

M.Tech. (Food Technology)

There is a vast opportunity ahead in food processing sector in the country. To meet the growing demands of food processing industry for technical personnel the Department has started M.Tech. Food engineering programme from the academic session 2007-08 and the nomenclature of the said programme has been changed to M.Tech. (Food Technology). The objective of this programme is to train the best talents of the nation in order to provide a support base for the country's food safety and security. The syllabus is so framed as to enable the students to comprehend the whole gamut of the fast changing food science scenario of the world.

B.Tech. (Food Technology)

B.Tech. (Food Technology) programme offers a unique education that blends engineering analysis with knowledge of food material characteristics for the design and development of processes and equipment to produce safe, nutritious, and wholesome foods. Food Technology is a multidisciplinary programme which combines science, microbiology, and engineering education to prepare students for exciting careers in food and related industries. Food Technologists are involved in production of value-added food products and in the research and development of new products and processes. The B.Tech Food Technology programme is designed to train the students to cater to the need of food industry sector. The students trained under this programme will be competent to manage effectively and efficiently any challenge linked to design, development and manufacturing of processes and equipment related to production of safe, delicious & nutritious food.

B.Voc. (Food Processing and Engineering)

Bachelor of Vocation programme i.e., B.Voc. (Food Processing & Engineering) programme offers skill-based education to cater to the needs of food industries. The students will be skilled for various sectors of food processing industry with special emphasis on milling, baking, post-harvest processing of horticulture products, design & development of new products food safety and management. The students will be acquainted with management skills, data analysis & entrepreneurship. The hands-on training, industrial visits & trainings are the essential components of this programme. The National Skill Qualification Framework (NSQF) levels for the course offered shall be as follows: -

Name of Course	NSQF Level Certificate
Certificate	Level-4
Diploma	Level-5
Advanced Diploma	Level-6
B.Voc. Degree	Level-7

4. Department of Zoology

Programmes offered:

M.Sc. (Zoology) (2 years, Semester System)

The University has started M.Sc. Zoology w.e.f. the academic session 2023-24. M.Sc. Zoology like any other PG programme, is a two-year programme which focuses on the various aspects of animal science. After the completion of the course, the students may get careers option in different fields like teaching, research, media sector, scientific writer, nutritionist, environmental consultant and jobs in different conservation agencies. The scheme and syllabi of the programme has been designed according to NEP-2020.

3.3 FACULTY OF PHYSICAL SCIENCES & TECHNOLOGY

1. Department of Chemistry

The Department of Chemistry is the oldest Department of University, established in 1994 with M.Sc. and Ph.D. programmes. The Department had started a Dual degree B.Sc. (Hons.) Chemistry - M.Sc. Chemistry programme from the session 2016-17 and has changed the nomenclature to integrated B.Sc. (Hons/Hons. with Research) – M.Sc. Chemistry programme (5 years, semester system) with effect from the academic session 2023-24 as per National Education Policy 2020. Now, the department has changed the nomenclature of the programmes as Integrated B.Sc. (Physical Sciences) - M.Sc. Chemistry from the session 2024-25. The Department is devoted to academics and research in subject areas like organic synthesis, organometallics, heterocyclic chemistry, catalysis, polymer chemistry, flame retardancy, medicinal chemistry, etc. The laboratories of the Department and Central Instrumentation Laboratory (CIL) are well equipped with modern and sophisticated equipments like NMR, LC-MS/MS, UHPLC, GC, UV, AAS, FTIR, UV-VIS-NIR, DSC, MPAES, FESEM with EDX, etc. to provide exposure and first-hand working experience to the students. The M.Sc. programme is of two years duration which is divided into four semesters and Integrated B.Sc. (Physical Sciences) – M.Sc. Chemistry is of five years duration. Apart from the course curriculum, annual science quiz, extension lecturers, industrial visit, workshop and interaction with industry people are other important activities of the department. More than 400 students of this Department have so far cleared the NET/JRF/GATE examination and faculty members of the department have published more than 600 research papers in good impact journals of national and international repute. The alumni of this Department are serving in leading academic and research institutes as well as industries, e.g., IIT, BARC, CSIR, DRDO, IISER, AICTE, DST, Universities, Engineering and Degree Colleges, Huntsman, ICI Paints, Sun Pharma, etc. in India as well as abroad and some are having their own establishment. The Department has successfully completed FIST (Level 1) programme of DST, New Delhi.

Programmes offered:

- (a) Ph.D.
- (b) M.Sc. (Chemistry) (2 years, Semester System)
- (c) Integrated B.Sc. (Physical Sciences) - M.Sc. Chemistry (5 years, Semester System)

M.Sc. (Chemistry)

The M.Sc. Chemistry Programme has been designed with the aim of fulfilling the demands of trained human resources to give thrust to the ever-increasing chemical industry and related fields. The Department has adopted the UGC Model Curriculum with LOCF for this course, to enable its students to be engrossed in various institutions in the country and abroad. The Department offers three Specializations in M.Sc. programme i.e., Inorganic, Organic and Physical Chemistry. The group discussion, seminar, project work etc. are integral components of this programme to enhance understanding of the subject in depth to tackle problems independently and to adapt them to accept the new challenges in the thrust area in the present scenario. Successful students become professionally skilled and capable of being absorbed in academics, R&D, chemical industry, research institutions etc.

Integrated B.Sc. (Physical Sciences) - M.Sc. Chemistry

The Department had started a Dual degree B.Sc. (Hons.) Chemistry - M.Sc. Chemistry programme from the session 2016-17. Now, the department has changed the nomenclature of the programmes as Integrated B.Sc. (Physical Sciences) - M.Sc. Chemistry from the session 2024-25 as per National Education Policy 2020 to attract meritorious and talented young bright candidates for furthering in chemical sciences and to inculcate the culture of research and development. The scheme and syllabi of the integrated programme is designed with an aim to produce a skilled manpower for conducting high impact research in the academic & industrial organizations including national research laboratories.

2. Department of Mathematics

Mathematics is a pioneer subject which finds applications in all the fields of Science and Technology. The Department offers M.Sc. (Mathematics), Integrated B.Sc. (Physical Sciences) - M.Sc. Mathematics and Ph.D. programme(s). The Department is having a well- equipped Computing Lab with MATLAB software. On the research outcomes and academic progress, Department of Science & Technology (DST), Govt. of India has identified this department under DST-FIST Programme.

Programmes offered:

- (a) Ph.D.
- (b) M.Sc.(Mathematics) (2 years, Semester System)
- (c) Integrated B.Sc. (Physical Sciences) - M.Sc. (Mathematics) (5 years, Semester System)

M.Sc. (Mathematics)

The courses taught in M.Sc. Programme include Algebra, Functional Analysis, Complex Analysis, Topology, Differential Equations, Mechanics, Measure & Integration Theory, Integral Equations, Differential Geometry, Discrete Mathematics, Mathematical Methods, Fluid Dynamics, Mechanics of Solids and Computer Programming etc. The students of this course have the opportunity of being absorbed in teaching and research programmes in Educational Institutions and also in R&D wings of Industrial Establishments.

Integrated B.Sc. (Physical Sciences) - M.Sc. Mathematics

The applications of Mathematics to all branches of science are well known and these have increased many-fold during the last few decades. Knowledge of Mathematics is, therefore, imperative for carrying out research and it forms a necessary input for industrial & technological development of the country. With an aim to attract young bright students and to inculcate the culture of research and development in the areas of Mathematical science, the Departments of Mathematics has started Integrated B.Sc. (Hons./Hons. With Research) - M.Sc. Mathematics from the session 2023-24 as per National Education Policy 2020. Now, the Departments of Mathematics has again changed the nomenclature of the programme as Integrated B.Sc. (Physical Sciences) - M.Sc. Mathematics from the session 2024-25. This programme is designed to provide in-depth understanding of the subject with special focus of the applied aspects in the field of physical sciences. The students of this course have the opportunities of being absorbed in teaching & research programmes in educational institutions and also in R&D wings of Industrial Establishments. The key feature of this programme is that the courses are taught on Choice Based Credit System as per UGC Model Curriculum.

3. Department of Physics

In the present scenario when the students are gyrating towards professional job-oriented courses, the Department of Physics is working actively to attract young minds towards Physics that is research and career oriented. The department offers a dynamic mixture of pure and applied Physics with research orientation at UG and PG level. Established in 1996, with the aim to cater laser and optics industry; Master's program in Physics was started with thrust areas in Laser Technology, Fiber Optics & Optical Communications and Materials Science. At present the department is offering Integrated B.Sc. (Physical Sciences) - M.Sc. Physics (5 years) as well as Postgraduate M.Sc. (Physics) (2 years) courses with specializations in Condensed Matter Physics, Photonics, Materials Science and Nuclear Physics. The syllabi are innovatively designed and structured in a manner to provide basic knowledge in Physics and offer options of specialization. The group discussion, seminars and minor /major research projects are integral components of these courses to enhance depth knowledge of the subject. Most of the current fields are covered by dedicated and dynamic faculty, viz. Photonics, Optical communication, Laser physics, Non-linear optics, Physics of nano-materials, thin films, Glass and ceramics, Solar cell and renewable energy, Radiation physics, nuclear physics and material science (Theory and Experimental). Apart from course curriculum, the extension/special lectures, workshops, interaction with industry persons and academic visits of the students are other important activities of the department to strengthen students' knowledge. The dynamic and vibrant ambiance of the department is further enriched by round the year activities of Physics Association of the department. Presently housed in a new four storey building, the department has good infrastructure with well-furnished laboratories for under- graduate, post-graduate and Ph.D. students. The department has received major research grants under UGC-SAP, DST-FIST and DRDO schemes etc.

Programme(s) offered:

- (a) Ph.D.
- (b) M.Sc. (Physics) (2 years, Semester System)
- (c) Integrated B.Sc.(Physical Sciences) - M.Sc. Physics (5 years, Semester System)

M.Sc. (Physics)

The Department offers M.Sc. Physics programme which caters to the needs of application-oriented world. The programme comprises of Condensed Matter Physics, Materials Science and Laser Physics that forms a major tool for studying ceramics, polymers, ferrites, glass, biomolecules, nonlinear optical materials etc. Photonics and Optical Communication are also recurring themes of the present course. The course on computational physics enables the students for computer simulations in research. Optional courses on Physics of Nano-Materials, Spectroscopy, and Radiation Physics are being offered to the students so that they can pursue career in their preferred field of interest. Laboratories are equipped with the modern experimental set up. Optional one semester project work is included in the curriculum for M.Sc. Physics students. The courses are taught on Choice Based Credit System as per UGC Model Curriculum. The programme is under revision/ designed as per UGC Learning Outcome Based Curriculum Framework.

Integrated B.Sc. (Physical Sciences) - M.Sc. Physics

The Department had started a Dual degree B.Sc. (Hons.) Physics - M.Sc. Physics programme from the session 2016-17 and has changed the nomenclature to integrated B.Sc. (Hons./Hons. With Research) – M.Sc. Physics programme (5 years, semester system) as per National Education Policy 2020 with effect from academic session 2023-24 to attract young bright students to inculcate the culture of research and development in the areas of physical sciences.

Now, the Department has again changed the nomenclature of the programme as Integrated B.Sc. (Physical Sciences) - M.Sc. Physics from the session 2024-25. The scheme and syllabi of the programme is designed with an aim to produce a skilled manpower for conducting high impact research in the academic & industrial organizations, including national research laboratories. Students passing out this 5 years programme are expected to serve as scientists at national research laboratories. The key feature of this programme is that the courses are taught on Choice Based Credit System as per the UGC module for CBCS system and specializations are offered in Materials Science, Photonics, Condensed Matter Physics and Nuclear Physics. One semester minor project is an essential component of curriculum for students. Optional one semester Major Project work has been introduced in this course to provide research platform to enter in various scientific laboratories. The programme has been designed as per UGC Learning Outcome Based Curriculum Framework.

3.4 FACULTY OF MEDICAL SCIENCES

1. Department of Physiotherapy

The Department of Physiotherapy is recognized by Haryana State Council for Physiotherapy, Panchkula since 2021. It is committed to provide quality education, training and professional consultation services in the field of physiotherapy. Physiotherapy being an integral part of healthcare system is a much sought-after profession and the demand of trained as well as specialized Physiotherapists has grown exponentially in recent years. The Department of Physiotherapy is offering Ph.D. (Physiotherapy), UG and PG Programme in Physiotherapy. The Department also offers M.Sc. in Yoga Science & Therapy and P.G. Diploma in Yoga Science & Therapy

Programmes offered

- (a) Ph.D. (Physiotherapy)
- (b) Master of Physiotherapy
 - Master of Physiotherapy (Orthopedics)
 - Master of Physiotherapy (Sports)
 - Master of Physiotherapy (Neurology)
 - Master of Physiotherapy (Cardiothoracic & Pulmonary Disorder)
- (c) M.Sc. (Yoga Science & Therapy)
- (d) Bachelor of Physiotherapy
- (e) Post Graduate Diploma in Yoga Science & Therapy (PGDYST) **(Zero Session)**
- (f) Integrated B.Sc./ B.Sc. (Hons./ Hons. with research) – M.Sc. Yoga Science and Therapy (5 years, Semester System)

- (g) Post Basic B.Sc. (Nursing)*
 - (h) B.Sc. (Nursing) *
- (* Department of Physiotherapy is Mentor Department)

Master of Physiotherapy (MPT)

Master of Physiotherapy (MPT) is a two year degree course under the Faculty of Medical Sciences. The Master of Physiotherapy offers an opportunity to experience practical learning and to gain the required skills to be an expert physiotherapist. Student gain enough experience enabling them to work independently in improving muscle strength, bone strength, recovery of body parts etc. Master of Physiotherapy offers a solution to joint-related issues and movement problems caused by a wide variety of nerve, muscle, and joint disorders. This is one of the emerging professions in 'Fit India' and will offer ample opportunity over the years. Students can choose from a variety of specialization fields such as sports Physiotherapy, neurological conditions, movement disorders, rehabilitation and recovery. Overall, the students will learn about the complete human body and the best practices to keep them fit and healthy. The department offers specialization in four disciplines- Orthopedics, Neurology, Cardiothoracic and pulmonary disorder and Sport Physiotherapy. The Master of Physiotherapy course curriculum has been designed to give highly specialized training to the students in their respective fields of specialization along with clinical postings and dissertation work.

M.Sc. Yoga Science and Therapy

The Department of Physiotherapy is one of the pioneer institutions offering Yoga education in the state. The Department offers post graduate degree and post graduate diploma programmes in Yoga Science and Therapy. M.Sc. Yoga Science and Therapy is a two postgraduate academic program, spread over a total of four Semesters. The basic tenet of the program is to develop skills in Yoga Sciences as well as Therapy in order to serve the people of society.

The course aims to build physical, mental and spiritual discipline in the students. The curriculum offers a wide range of subjects to bring all round personality development of the students at all levels. It includes ancient Yogic texts such as Hatha Yoga Pradeepika, Gherand Samhita, Essence of Shrimad Bhagwad Geeta, Samkhya Karika, Patanjala Yoga Sutras etc. The syllabi also inculcate teachings of ancient Indian Philosophy such as Darshan, Vedas, Upanishads etc. in order to blend this ancient technique of Yoga into the modern era and present needs course also includes subjects such as anatomy and physiology, research methodology, Yoga therapy etc. A brief knowledge of Ayurveda, naturopathy, acupressure etc. is taught to students to integrate Yoga therapy with other systems of medicine to speed up the process of recovery and to explore the possibilities of promoting Yoga therapy.

The curriculum also focuses on intensive practices of Shatkarma, Asana, Pranayama, Bandha, Mudra, Meditation etc. and other advance techniques. As an integral part of curriculum, students, have to undergo a field training which enables them with hands-on experience and builds confidence in students. In addition, a Dissertation work is also an integral part of M.Sc. Yoga Science and Therapy Program enabling them to pursue research in Yoga and produce qualified professional in the field of Yoga Sciences and Yoga therapy.

Post Graduate Diploma in Yoga Science and Therapy (PGDYST) (Zero Session)

Post Graduate Diploma in Yoga Science and Therapy is a one year program (two semesters). The basic tenet of the program is to develop skills in Yoga Sciences as well as Therapy in order to serve the people of society.

The curriculum of the course covers fundamentals of Yoga, Hatha Yogic texts, Shrimad Bhagwad Geet, Patanjala Yoga Sutras, human anatomy and physiology, disease management, application of Yoga and Yoga therapy, knowledge of health and diet over a span of two semesters.

As an integral part of curriculum, students have to undergo a field training which enables them with hands-on experience and builds confidence in students, so that after the completion of program they can serve the society as a Yoga professional in the field of health, therapy, education, research and sports effectively.

Bachelor of Physiotherapy (BPT)

Bachelor of Physiotherapy (BPT) course is a four and half years' regular and fulltime degree course. The four and half years include for academic years (annual scheme) for study and 6 months of compulsory rotatory internship. These regulations and curriculum of BPT course are implemented as per the guidelines of Haryana State Council for Physiotherapy (HSCP), Panchkula since 2021-22. The syllabus covers medical subjects like Anatomy, Physiology, General Medicine etc. as well as core Physiotherapy subjects like Physiotherapy in orthopedic conditions, Electrotherapy, Biomechanics and Kinesiology etc. Students undergo clinical training from Department O.P.D. and other multi-specialty hospitals from 2nd year onwards. Students are required to complete six months clinical internship after completion of four years course work. During the programme students are trained to assess, diagnose and administer necessary treatment and rehabilitation to the patients.

Integrated B.Sc./B.Sc. (Hons./Hons. with research) – M.Sc. Yoga Science and Therapy

The objective of the Course is:

- To impart to the students the knowledge of teachings and philosophy of Yoga tradition.
- Promoting the awareness for positive health and personality development in the student through Yoga.
- Instilling and inculcating the general interest and inquisitive knowledge about Yoga for health, personality development and spiritual evolution.
- To produce manpower to give Yoga training /teaching, Yoga therapy and Yoga research at all levels.
- To produce manpower to give Yoga training and therapy at hospitals.
- To prepare the graduates in Yoga science to study the higher aspects of Yoga education, therapy and research at the post-graduate level.
- To generate manpower to assist in Yoga research projects.
- To encourage the pupil to be a global citizen, serving the human beings at large through the noble profession of Yoga.
- To impart to the students the knowledge of human anatomy and physiology and understanding of pathogenesis of diseases and their management in Yoga therapy.
- To provide the knowledge of various Yoga therapy practices like asana, pranayama meditation and relaxation techniques, counseling and basic dietary concepts with their implication.
- To Train the students to handle a client and administer Yoga therapy under the supervision of a specialized Medical practitioner.
- To train the students in Yoga therapy so that they can integrate the Yoga therapy with different systems of medicine and clinical settings.
- To produce Yoga therapists of high caliber with in-depth understanding of basic sciences and holistic health techniques.
- To enable the students to develop the communication skills and computer skills and applications in Yoga science.
- To introduce Yoga therapy its principles and practices of Yoga to people with various lifestyle disorders.
- To make the people aware of the therapeutic and preventive value of Yoga.
- To bring peace and harmony in the society at large by introducing the Yogic way of life.
- To create therapists of high caliber to make the society free from stress and lifestyle related diseases.

Post Basic B.Sc. (Nursing) and B.Sc. (Nursing) Programmes:

The Aims of the B.Sc. (Nursing) and Post Basic B.Sc. (Nursing) programmes are to:

1. Produce knowledgeable competent nurses and midwives with clear thinking skills who are caring, motivated, assertive and well-disciplined responding to the changing needs of profession, healthcare delivery system and society.

2. Prepare them to assume responsibilities as professional, competent nurses and midwives in providing promotive, preventive, curative and rehabilitative healthcare services in any healthcare setting.
3. Prepare nurses and midwives who can make independent decisions in nursing situations within the scope of practice, protect the rights of individuals and groups and conduct research in the areas of nursing practice and apply evidence based practice.
4. Prepare them to assume role of practitioner, teacher, supervisor and manager in all healthcare settings.

OBJECTIVES:

On completion of the B.Sc. Nursing program, the B.Sc. Nursing graduates will be able to:

- Utilize critical thinking to synthesize knowledge derived from physical, biological, behavioural sciences, and humanities, in the practice of professional nursing and midwifery.
- Practice professional nursing and midwifery competently and safely in diverse settings, utilizing listening, critical thinking and therapeutic nursing interventions with individuals, families, populations and communities at any developmental stage and with varied lived health experiences.
- Provide promotive, preventive and restorative health services in line with national health policies and programs.
- Integrate professional caring practice decisions that encompass values, ethical, and moral and legal aspects of nursing.
- Respect the dignity, worth, and uniqueness of self and others.
- Apply concepts of leadership, autonomy and management to the practice of nursing and midwifery to enhance quality and safety in health care.
- Utilize the latest knowledge and skills related to information and technology to enhance patient outcomes.
- Communicate effectively with patients, peers, and all health care providers.
- Utilize the requisite knowledge and skills and technology to practice independently and collaboratively with all health professionals apply the principles of safety and quality improvement.
- Integrate research findings and nursing theory in decision making in evidence-based practice.
- Accept responsibility and accountability for the effectiveness of one's own nursing and midwifery practice and professional growth as a learner, clinician and leader.
- Participate in the advancement of the profession to improve health care for the betterment of the global society.

2. Department of Pharmaceutical Sciences

The Department of Pharmaceutical Sciences is one of the pioneer institutions offering pharmacy education in the state. The department has remained among top 50 pharmacy institutes of India in NIRF ranking since 2017. The department offers graduate, post graduate and doctoral programmes in pharmacy. The Bachelor of Pharmacy and Master of Pharmacy programmes offered by the department are approved by the Pharmacy Council of India, and the All India Council of Technical Education. The department has well qualified faculty members with vast experience in teaching and research. The department has well equipped laboratories with the state-of-the-art equipments. More than 100 research scholars have been awarded Doctorate of Philosophy in Pharmaceutical Sciences.

Programme(s) Offered:

- (a) Ph.D.
- (b) M.Pharm. (Pharmaceutical Chemistry) (2-year, Semester system)
- (c) M.Pharm. (Pharmaceutics) (2-year, Semester system)
- (d) M.Pharm. (Pharmacology) (2-year, Semester system)
- (e) M.Pharm. (Pharmacognosy) (2-year, Semester system)
- (f) Bachelor of Pharmacy (4-year, Semester system)

Master of Pharmacy

The Master of Pharmacy degree is a four semesters programme. The Pharmacy Council of India prescribed curriculum is followed by the Department. The first two semesters, of the program are designed to orient the students towards research by offering the subjects of industrial and scientific importance and the students are required to study all the papers prescribed, while the last two semesters are devoted to research work. The department works towards promoting a multidisciplinary, team-based approach to drug delivery. The Pharmaceutical chemistry discipline is engaged in in silico drug design, synthesis (conventional, microwave, development of combinatorial solution phase synthetic techniques) and evaluation of novel candidate compounds with special reference to heterocyclic moieties and small peptides in the field of antimicrobial, anticancer, analgesic, antihistaminic, anticonvulsant, cardiovascular, anti-diabetic and other activities; molecular modelling, docking, QSAR studies using CADD and analytical and bio-analytical chemistry. The Pharmaceutics discipline focuses on nano medicine, transdermal drug delivery, ocular drug delivery, development of novel excipients from natural polymers. The research activities of pharmacology discipline include; general pharmacological screening of new bioactive molecules from synthetic and natural sources. Neuro pharmacological studies of bioactive molecules with special reference to cognitive functions; studies of bioactive molecules on experimentally induced diabetes, and its implications in animal models. The Pharmacognosy discipline is engaged in exploring natural resources for novel drug delivery systems through isolation and characterization of phytoconstituents and development of new herbal formulations and standardization of traditional drugs and polyherbal formulations.

Bachelor of Pharmacy

The Bachelor of Pharmacy degree is an eight semesters (Four year) program and the syllabus prescribed by PCI is followed with an aim to provide students with both theoretical and practical training, in order to produce human resources for pharmaceutical industry and health care system. The department imparts quality pharmacy education to the students and to produce competent and employable professionals to work effectively in academia, pharmaceutical industries and research centre and meet the growing global opportunities in Pharmaceutical and Health Care Sector. Ample employment opportunities exist in the fields of Drug industry, Research & Development, Drug control department, Academics, Marketing and sales, etc.

3. Department of Allied Health Sciences

Programme offered:

- (a) B.Tech. (Electronics and Biomedical Engineering) (4 years, Semester System)
- (b) B.Sc. (Medical Laboratory Technology)
- (c) B.Sc. Radiography & Imaging Technology

B.Tech. (Electronics and Biomedical Engineering)

B.Tech. in Electronics and Biomedical Engineering is an interdisciplinary programme that combines Electronics Engineering and Biomedical Engineering to solve medical problems in living systems. The programme was aimed with an objective to enable the students to acquire technical skills for becoming expert in the field of electronics, circuit, embedded system, biomedical instrumentation, biomedical and biomechanism with the applications of latest emerging technologies. The strong collaborative connection with academic, industry & clinical research offers a prospective environment for professional development & experience in the related field.

B.Sc. (Medical Laboratory Technology)

A graduate of B.Sc. (Medical Laboratory Technology) is an all-rounder as far as technologies in a medical laboratory is concerned. The course envisages to build in an overall expertise in the student, of performing medical laboratory tests, whether it's routine or special tests. These students would be capable of performing a range of tests such as those related to phlebotomy, clinical biochemistry, haematology, serology, cytogenetic, etc. Besides, skills related to lab management and ethics, biomedical waste disposal, personality development, effective communication skills, etc., would also be developed in them.

Medical laboratory Technician is a health care professional who performs chemical, Haematological, Microscopic and bacteriological diagnostic analysis on body fluids such as blood, urine, sputum, stool, CSF and pericardial fluids, as well as other specimens.

The need for such professionals has been expressed by not only the healthcare industry employers, but also the consumers of this industry, i.e., patients. The course creates the grounds for enhancing vertical growth opportunities for the Medical Laboratory Technician graduates.

B.Sc. Radiography & Imaging Technology

B.Sc. Radiography & Imaging Technology programme deals with the process of creating images of human body parts to diagnose and examine the disease of the patient. It is one of the best courses in the medical field for students who want to make their careers in the national and international healthcare industry. The teaching methodology is through classroom lectures, practical classes, hands-on training, and laboratory work. This course deals with the study of advanced imaging (MRI and CT) and how health care management works. It also includes different medical imaging technology courses like radio imaging technologist, ultrasound technologist which is also known as ultrasound technician course, nuclear therapy, MRI technologist, dialysis technologist, etc. related to scanning and diagnosing the disease in the human body comes under imaging technology.

3.5 Faculty/ SCHOOL OF HARYANA SCHOOL OF BUSINESS

1. Haryana School of Business

Programmes offered:

- (a) Ph.D.
- (b) Master of Business Administration (2 years, Semester System)
- (c) MBA Finance (2 years, Semester System)
- (d) MBA Marketing (2 years, Semester System)
- (e) MBA International Business (2 years, Semester System)
- (f) MBA Business Analytics (2 years, Semester System)
- (g) MBA Health Care (2 years, Semester System)
- (h) Integrated BBA – MBA (5 years, Semester System)

Ph. D.

The admission in Ph.D. Programme shall be made twice a year in two terms i.e. Summer Term (July to December) and Winter Term (January to June). Applications for enrolment to Ph.D. Programme shall be advertised twice a year normally in the month of April/May for Summer Term and in the month of October/November for Winter Term.

Master of Business Administration

Master of Business Administration (MBA) is a two year (4-semester) programme. The students admitted in this programme are offered common courses in the first and second semester. They choose their areas of specialization in the beginning of the third semester. A student can opt for dual specialization in the area of human resource management, marketing, finance, international business,

information technology, business analytics, and production and operations management. The students of the programme can choose the major and minor areas of specialization and open elective paper. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is suitably equipped to prepare the students to pursue careers in managerial and executive positions in private and public sector organizations.

MBA Finance

MBA Finance is a two year (4-semester) programme with super-specialization in the area of finance. Student taking admission in MBA (Finance) is offered the core finance courses from the first semester itself along with the common management courses. The courses offered under the programme are designed with the purpose of creating specialists in the area of finance. Throughout the duration of the programme, students learn the basic and advanced practical as well as theoretical course contents specially related to the domain knowledge of finance. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is well designed to prepare the students to work in managerial and executive positions in private and public sector organizations.

MBA Marketing

MBA Marketing is a two year (4-semester) programme with super-specialization in the area of marketing. A student enrolled in the programme is sensitized to the core marketing courses from the first semester itself along with the common management courses. The courses offered under the programme are designed with the purpose of creating specialists in the area of marketing. The students learn the basic and advanced practical as well as theoretical course contents specially related to the domain knowledge of marketing. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is designed to impart the managerial and analytical skills expected by the business organizations from the prospective students.

MBA International Business

MBA (International Business) is a two year (4-semester) programme with super-specialization in the area of international business. A student enrolled in the programme is introduced to the core international business courses from the first semester itself along with the common management courses. The courses offered under the programme are designed with the purpose of creating specialists in the area of international business. The students learn the practical as well as theoretical aspects specially related to the domain knowledge of international business. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is well designed to impart the necessary skills expected from the students to work successfully in a highly turbulent business environment.

MBA Business Analytics

MBA Business Analytics is a two year (4-semester) programme with super-specialization in the area of Business Analytics. The Business Analysts (BAs) are responsible for bridging the gap between Information Technology and the business management using data analytics to assess processes, determine requirements and deliver data-driven recommendations and report to executives and stakeholders. Engage with business leaders and users to understand how data-driven changes to processes, products, services, software and hardware can improve efficiencies and add value for stakeholders. It not only articulates those ideas but also balances them against what is technologically feasible and, financially and functionally reasonable. Depending on the role, BAs might work with data sets to improve products, hardware, tools, software, services or processes. The students are required to undergo summer training internship at the end of second semester to get the practical work experience.

MBA Healthcare

The Programme is designed as per National Education Policy (NEP), the programme offers need-based exit options to the students, wherein a student who completes the first year (first and second semesters) will be entitled for a Postgraduate Diploma in Healthcare Management, and a student who successfully completes four semesters will be awarded a Master's degree in MBA HEALTHCARE.

Integrated BBA - MBA

The objective of the Course is:

- To groom the budding professionals for analyzing, evaluating and designing complex business and management solutions.
- To guide the management graduates to develop a positive attitude towards ethical and value based learning and motivate them to take up higher studies and research in the field of business management.
- To mentor the budding professionals and entrepreneurs of tomorrow with global business leadership qualities and deep economic and societal concerns.
- To prepare budding professional to make them sensitive human beings who can keep due emotions towards humanity and global diversities.
- To train responsible and ethical management professionals to be successfully employed in all industrial sectors at national and global levels.

2. Department of Commerce

Programmes offered:

- (a) M. Com. Programme (2 years, Semester System)
- (b) Integrated B.Com.– M.Com. Programme (5 years, Semester System)

Master of Commerce (M. Com)

M.Com. is a two year (4-semester) programme designed to impart the commerce education to the students. The course contents of the programme cover all the relevant aspects of commerce, business and industry. The programme familiarizes students with the problems faced by the traders, businesspersons, and industrialists with a view to suggest alternative solutions. The students are trained to pursue careers in teaching, research and consultancy assignments. The programme lays special focus on academic and professional growth of the students.

Integrated B.Com. - M.Com.

3.8 FACULTY OF RELIGIOUS STUDIES

Guru Jambheshwar Ji Maharaj Institute of Religious Studies conducts research and comparative study of various religions Hinduism, Jainism, Buddhism, Christianity, Islam and Sikhism, Indian Culture with special reference to teachings of Guru Jambheshwar Ji Maharaj.

In India, religion is a way of life. It is an integral part of the entire Indian tradition. For the majority of Indians; religion permeates every aspect of life from common-place daily chores to education. Secular India is home to Hinduism, Jainism, Buddhism, Christianity, Islam, Sikhism, Indian Culture and other innumerable religious traditions.

1. Hinduism- The underlying tenets of Hinduism cannot be easily defined. There is no unique philosophy that forms the basis of the faith of the majority of India's population. Hinduism is perhaps the only religious tradition that is so diversified on its theoretical premises and practical expressions as to be called a "museum of religions". This religion cannot be traced to a specific founder nor does it have a "holy book" as a basic scriptural guide. The Rig Veda, Upanishads and the Bhagwad Gita can all be described as the sacred text of the Hindus.
2. Sikhism- The Sikh religion emerged during the early 16th century in the state of Punjab in North India. The founder of this faith was Guru Nanak, who from his childhood was attracted to both Hindu and Muslim saints. Born a Hindu, but also inspired by the teachings of Islam, he began to preach the message of unity of both religions. According to him, the basic teaching of both faiths were essentially the same. Nanak attracted many followers and came to be known as a Guru or a teacher. His disciples came together to form a new religious tradition called Sikhism.
3. Buddhism- Buddhism originated as an offshoot of Hinduism in India, but eventually it became popular all over Asia. The personality and teachings of Gautama Buddha, the founder of this faith, have illumined the lives of millions of people in Japan, China and Southeast Asia. Buddhism is based on the principle of the law of impermanence.
4. Islam – The Arab traders brought Islam to India in the early 8th century, but it was not until the 12th century that it became a force to reckon with in the Indian sub-continent. Unlike Buddhism, Jainism and Sikhism which emerged as offshoots of Hinduism, the concept, customs and religious practices of Islam were unique to this faith which professed universal brotherhood and submission to Allah-The God Almighty. The mystics of Islam, or the Sufi saints, helped in spreading the message of peace and universal love.
5. Jainism – Jainism as a religious tradition was established in India about the same time as Buddhism. Mahavira, one of the great conquerors, preached the Jain philosophy around the same time that Buddhism began. The Institute has also introduced a programme on doctor of Philosophy. The candidates having master Degree i.e. M.A. (Sanskrit/Hindi/Philosophy/Dharam/Religion/Ved/Ancient History) disciplines only be considered eligible to apply for Entrance Test and Registration in Ph. D. programme of Religious Studies.

8. The Chief Secretary to Govt. Haryana, Chandigarh conveyed the instructions vide letter No. 22/129/2013-1GS III dated 16.07.2014 regarding prescribing minimum eligibility qualification for the various courses/programme for reserved category candidates as per the procedure in the compliance of the Judgement of Hon’ble Supreme Court passed in CWP No. 7084/2011 for e.g.

“A General candidate requires to have 50% marks, then as per Govt. instructions by giving 5% relaxation the minimum eligibility marks for a reserved category candidate should be calculated as under: -

Out of 100 marks needs to less	=	5
Out of 1 Marks needs to less	=	5/100
Out of 50 marks needs to less	=	5/100 x50 = 2.50

This way minimum less marks where general category candidates are required to have 50% in a prescribed qualification, the total required marks for a reserved candidate will be 50 – 2.50 = 47.50 and not 45.”

5.4 Procedure / Criteria for Preparing Merit List

(I) The merit list for admission to all Programmes will be drawn as per following procedure/ criteria:

- The Selection of candidate(s)/admissions to all programmes in University Teaching Departments will be made on merit list drawn on the basis of the score in the Entrance Test, where entrance test is applicable, or on the basis of academic merit of the qualifying examination wherever entrance test is not applicable, subject to fulfilling other conditions, as given in the University Prospectus 2024-25. The weightage(s) of Sports and NSS, if any, will be over and above this. The weightage(s) of Sports and NSS will only be considered if the appropriate claim alongwith required certificate is attached.

No weightage(s) of Sports and NSS shall be given for admission to M.Tech./ M.Pharm./MBA Programmes if seats are to be filled by valid GATE/GPAT/CAT score.

- **Admission to all M.Tech. Programmes** will be made on the basis of merit of Valid GATE Scores of applicants. If the seats still remain vacant due to non-availability of GATE qualified candidates, the same will be filled on the basis of the academic merit of the qualifying examinations plus weightage(s) of Sports and NSS, if any. Further, if the seat(s) still remain vacant due to non-availability of GATE qualified and nth semester qualified candidate(s), the same will be filled on the basis of the academic merit of first (n-1) semester of the qualifying examinations plus weightage(s) of Sports and NSS, if any, where 'n' stands for total number of semester/year. Scholarship will be admissible to candidates admitted with valid GATE score subject to the receipt of Scholarship from the AICTE/ Government. The candidate having valid GATE score or not having GATE score are required to apply online by visiting on the University website for admission to M.Tech. Programme(s).
- **Admission to all M.Pharm. Programmes** will be made on the basis of merit of valid GPAT score of applicants. When sufficient GPAT qualified candidates are not available, the admission on the remaining seats will be given to non-GPAT candidates on the basis of the academic merit of the qualifying examinations plus weightage(s) of Sports and NSS, if any. Further, if the seat(s) still remain vacant due to non-availability of GPAT qualified and nth semester qualified candidate(s), the same will be filled on the basis of the academic merit of first (n-1) semester of the qualifying examinations plus weightage(s) of Sports and NSS, if any, where 'n' stands for total number of semester/year. Fellowship is available to the candidates with valid GPAT Score only subject to the receipt of Fellowship from AICTE/other regulatory bodies, if any. The candidate having valid GPAT score or not having GPAT score are required to apply online by visiting on the University website for admission to M.Pharm. programme(s) and need not required to appear in the entrancetest.
- It is only after all the sanctioned seats against the reserved category have been filled through GATE/GPAT candidates, and the candidate with valid GATE/GPAT score, who could not get admission because of no vacancy in the respective reserved category, may be considered against the seats (left vacant or converted from reserved category to general category) of general category as per academic merit.
- **Admission to MBA Programmes** will be made on the basis of merit of valid CAT score 2023 (80% weightage), Group Discussion (10% weightage) and Personal Interview (10% weightage). The shortlisted candidates will be called for Group Discussion (GD) and Personal Interview (PI). Intimation in this regard will be given at University website (www.gjust.ac.in). If the seats still remain vacant due to non-availability of valid CAT score candidates, the same will be filled on the basis of merit list of entrance test (80% weightage), Group Discussion (10% weightage) and Personal Interview (10% weightage) subject to fulfilling of other conditions given in the Prospectus. For Admission to MBA programmes, the candidates must appear for both Group Discussion and Personal Interview. The candidates are required to apply online by visiting on the University website for admission to MBA programme(s).

Only short listed candidates will be called for Group Discussion and Personal Interview for admission to MBA Programme(s).

If the seat(s) after the third counseling still remain vacant, the candidate(s) having appeared in entrance test and either in Group Discussion or Personal Interview will be considered for admission on the basis of merit list of entrance test (80% weightage) and 10% weightage(s) either of Group Discussion or Personal Interview, subject to fulfilling of other conditions given in the Prospectus 2024-25.

For Admission to MBA (Business Analytics), the candidates who have studied mathematics at senior secondary level (10+2) or an equivalent examination will be given preference. If seats remain vacant, others may be considered for admission in this programme.

(II) **If two or more candidates secure identical total score in GPAT (for admission to M.Pharm. Programmes) / GATE (for admission to M.Tech. Programmes)/ (CAT+GD+PI) (for admission to MBA Programmes) or (Merit of Entrance Test + GD + PI) for admission to MBA (other than CAT candidates), or in the Entrance Test plus weightage(s) of Sports and NSS, if any, (for admissions to the programme(s), where admissions are on the basis of the Entrance test), the merit list will be drawn as under :**

- (a) In case all such candidates have the proof of passing their qualifying examinations, the merit will be drawn in order of their higher percentage of marks in the qualifying examination.
- (b) In case any of such candidates do not have the proof of passing her/his qualifying examinations preference will be given to the candidate having declared result of her/his qualifying examination as per provision at (a) above.
- (c) If all candidates have secured identical marks in qualifying examination or none have the result of qualifying examinations, the candidate older in age will be preferred.

(III) **Admission to the following regular programmes will be made through online admission process based on the merit of Entrance Test plus weightage(s) of Sports and NSS, if any, subject to fulfilling the other conditions mentioned in the University Prospectus for the session 2024-25:**

If a candidate fails to furnish the D.M.C. of having passed the qualifying examination upto the prescribed date, the admission shall stand cancelled automatically and the fees deposited by her/him will be forfeited.

6.2 Counseling Procedure

- (i) It is mandatory for all candidates seeking admission to UTDs to attend the counseling, as per the notified schedule given in this Chapter. On the day of counseling, the candidates will be called for counseling/admission on their turn in order of merit.

Request to change the date of counseling will not be entertained. The counseling also establishes the identity and antecedents of the candidates. All original certificates will be verified at the time of counseling.

- (ii) The candidate will be required to present himself/ herself before the Counseling Board/ Admission Committee of respective department and mark her/his presence and then she/he will produce all original certificates for verification and checking of eligibility for the programme(s) for which she/he is eligible.

The candidate will not be paid any travelling or other allowance for attending the counselling.

- (iii) On ascertaining the eligibility, the Committee will allot a seat as per merit/ preference subject to availability of seat.

- (iv) The Committee will issue admission slip, on the basis of which the candidate will have to deposit fees on the spot. Candidates are therefore advised to bring the required amount (see Chapter-8 on “Fee Structure 2024-25”) for depositing the fees at the time of counseling failing which their admission shall stand forfeited. If a candidate does not deposit the fees after the issue of admission letter, she/he may be allowed to participate in the subsequent counseling’s as fresh candidate. However, if a candidate after depositing the fees wants to shift from one programme to the other, she/he will be allowed to do so in the subsequent counseling as per merit subject to her/his eligibility and availability of seat(s). The fee already deposited by the candidate for that programme will be adjusted for new programme.
- (v) The candidate will then report to the Registration Committee for registration. The officials dealing with Registration of students will be available in the counseling hall/ department concerned.
- (vi) In the “Important Instruction/ Information” of University Prospectus, the candidates from Haryana State are already advised to correct/ update their personal details (i.e. name, father’s name, mother’s name, category, mobile number, income/ family income etc.) in Parivar Pehchan Patra (PPP) before filling-up/ submitting the on-line application form.

In case, the category of reserve candidates in on-line application form linked with details of Parivar Pehchan Patra (PPP) is not correct/ updated as per the Caste mentioned in the Category Certificate, the Category of the candidate mentioned in her/his Category Certificate will also be considered for admission to all Programmes and the candidates must produce her/his relevant category certificate at the time of counseling in the department.

At the time of counseling for reserved category candidate, their category be considered on the basis of caste mentioned in their reserve category certificate.

6.3 Important Note for Counseling

- (i) The counseling will start at 10.00 a.m. The candidate, who reports late i.e., after her/his name had been called, will be considered subject to availability of seats at that point of time in the respective category. Venue of the counseling will be the office of the Chairperson of the respective Department. Any change in the venue will be notified on the University website/ departmental notice board.
- (ii) **If a candidate is not in a position to attend the counseling in person because of serious illness or accident, or genuineness with prior permission of respective Chairperson of the Department, he/ she can authorize in writing her/his parent or guardian to attend the counseling. However, in case of serious illness or accident, she/he must send a medical certificate from a Medical Officer of a Govt. Health Centre/ Hospital with her/his parent or guardian in case she/he is unable to attend the counseling.**
- (iii) Request to change the date of counseling will not be entertained. The counseling also establishes the identity and antecedents of the candidates. All original certificates will be verified at the time of counseling.
- (iv) The mere fact that an applicant has been called for the counseling does not guarantee admission to a programme. The admission will exclusively depend upon the number of seats available in a programme. The seats will be filled exclusively on the basis of relative merit of the candidates under each category.
- (v) The candidate who did not attend the first or second counseling(s), she/he may be allowed to attend the subsequent counseling according to her/his merit and eligibility.
- (vi) For the present, no seat is available under ESM/FF category. But, the seats reserved for the “differently-abled persons/Persons with Disabilities” if remain unfilled due to non- availability of candidates eligible to be considered for such seats, shall be offered to the Ex-serviceman and their wards and the dependents of Freedom Fighters in order of merit, i.e. one who amongst these two categories is higher in merit will get the seat.

- (vii) **The seats remaining vacant in reserved category after the first counseling, will again be offered to the same reserved category in the second counseling. The seats still remaining vacant after the second counseling will be first offered to the candidates of the concerned reserved category at the start of the third counseling and the seats remaining unfilled upto 2.00 p.m., these will be filled from 2.00 p.m. to 4.00 p.m. by drawing combined merit list of the candidates belonging to concerned reserved categories/sub-category. If the seats still remain vacant, these will be converted into General Category of Haryana (HOGC) and filled accordingly at 4.00 p.m. If the seat(s) still remain vacant, after converting into HOGC, these will be filled from All India category candidate(s) as per merit list at 4.30 p.m.**
- (viii) The seat remaining vacant of Schedule Caste and Deprived Schedule Caste after the first counseling, will be offered to the candidate(s) of Schedule Caste and Deprived Schedule Caste respectively at the start of second counseling. The seats still remaining vacant of Schedule Caste and Deprived Schedule Caste after the second counseling, will again be offered to the candidate(s) of Schedule Caste and Deprived Schedule Caste respectively at the start of third counseling. If some seats of Scheduled Caste and Deprived Scheduled Caste still remain vacant/ unfilled upto 2.00 p.m., these will be filled from 2.00 p.m. to 4.00 p.m. by drawing combined merit list of the candidates belonging to Scheduled Caste and Deprived Scheduled Caste. If the seats still remain vacant, these will be converted into General Category of Haryana (HOG) and filled accordingly at 4.00 p.m.
- (ix) In the Third Counseling, the vacant seats will be first offered to the relevant categories of candidates and if some seats of BC(A) and BC(B) still remain unfilled upto 2.00 pm, these will be filled from 2.00 p.m. to 4.00 p.m. by drawing combined merit list of the candidates belonging to BC(A) and BC(B) categories. If the seats still remain vacant, these will be converted into General Category of Haryana (HOG) and filled accordingly at 4.00 pm.
- (x) The seats remaining vacant in Economically Weaker Sections (EWS) after the first counseling, will again be offered to the candidates of EWS in the second counseling. The seats still remaining vacant after the second counseling will be first offered to the candidates of the EWS at the start of the third counseling and the seats remaining unfilled upto 4.00 pm, after being offered to the candidates of EWS, will be converted into General Category of Haryana (HOG) and filled accordingly.
- (xi) Regarding change from “differently abled person” to ESM/FF category, there will be no such change in the first and second counseling, but if seats remain unfilled due to non- availability of “differently abled person” eligible candidates in 3rd counseling, these will be first offered to the relevant category of the candidates, and if the same remain unfilled upto 2.00 pm, these will be filled at 2.00 pm from the available candidates of ESM/FF category, on merit. If the seats still remain vacant, these will be converted into General Category of Haryana (HOG) and filled accordingly at 4.00 p.m.
- (xii) After the third counseling, the seat(s) falling vacant due to withdrawl or cancellation of candidature for any reason, which were converted into General Category of Haryana (HOG) at 4.00 p.m. after exhaust of list of candidates of reserved category in third counseling and also being offered to the All India category candidates at 4.30 p.m., shall be filled up on **16.08.2024** from amongst the candidates, irrespective of category, present at the time of counseling on that day, strictly in order of merit of entrance test/ academic merit, wherever applicable, plus Sports and NSS weightage(s), if any.
- (xiii) But, in case, if the merit list of candidates in any reserved category does not exhaust and the seats were filled up from the respective reserved category candidate(s) upto third counseling at 4.00 p.m. (which were not converted into General Category), the vacant seat(s), if any, after third counseling, due to drop out or cancellation of candidature for any reason, will be filled from the candidate(s) of respective reserved category on **16.08.2024** from amongst the candidates present at the time of counseling on that day, strictly in order of merit of entrance test/ academic merit, wherever applicable, plus Sports and NSS weightage, if any. If the candidate from respective reserve category are not present on **16.08.2024** upto 11.00 a.m., the vacant seats, if any, will be converted into Haryana Open General Category (HOGC).

- (xiv) The Chairpersons will notify vacant seat(s) on the notice board of respective Department at 11.00 am and start the counseling at 12.00 noon on **16.08.2024** for Haryana Open General Category (HOGC) candidates. Interested candidates should remain in touch with the respective department in this regard as no separate intimation will be sent with respect to the vacant seats to be filled up on this date.
- (xv) On the Physical counseling dated **16.08.2024**, the seat(s) falling vacant due to withdrawl or cancellation of candidature for any reason, which were converted into Haryana Open General Category (HOGC) and after exhaust of list of candidates of Haryana Open General Category (HOGC), these seats will be filled up from candidates of All India Category present at 02:00 p.m. on **16.08.2024**, as per their merit of entrance test/ academic merit, wherever applicable, plus weightage(s) of Sports and NSS, if any.
- (xvi) Cut-off date for admission to all programmes under purview of UGC will be **16.08.2024**. However, cut-off date with late fee of Rs. 1000/- is upto **23.08.2024** with the permission of Vice-Chancellor on the recommendations of the Chairperson concerned.
- However, cut-off date for admission to all programmes under purview of AICTE will be **15.09.2024** or as changed by AICTE from time to time.
- (xvii) Further, the Vice-Chancellor is authorized to add any instructions related to counseling for all regular Programmes.
- (xviii) Any recommendations of the Admission Committee of the department to remove/resolve any discrepancy pointed out at any stage during the admission process, the matter shall be referred to the Vice-Chancellor for the final decision.

ANNEXURE A-IV

Instructions regarding Bona fide Residents of Haryana issued vide letter No. 62/17/95-6 GSI Dated 3rd October, 1996, No. 62/32/2000-6GSI dated 23rd May, 2003 and No. 62/27/2003-6GSI dated 29th July,2003 by the Chief Secretary to Government Haryana.

Subject: Bonafide residents of Haryana - Guidelines regarding.

I am directed to invite your attention to Haryana Govt. letters noted in the margin on the subject noted above vide which the instructions were issued regarding simplification of procedure for obtaining the certificate of Domicile for the purpose of admission to educational institution (including technical/medical institution). The matter has been reconsidered in the light of judgment delivered by the Hon'ble Supreme Court of India in the case of Dr. Pradeep Jain vs. Union of India and others reported as AIR 1984-SC-1421, wherein it has been held that instead of the word 'Domicile' the word 'Resident' be used in the instructions issued by the State Government and it has been decided to revise the Government instructions. Henceforth, the following categories of persons would be eligible for the grant of Resident Certificate: -

1.

- i) Candidates, who have passed the examination qualifying there for selection in an institution from a school/college in Haryana.
- ii) Children / Wards (if parents are not living) / Dependents of the: -
 - (a) employees of Haryana State posted in or outside Haryana State or working on deputation;
 - (b) employees of the statutory bodies/corporations established by or under an act of the State of Haryana who are posted in Chandigarh or in Haryana or outside Haryana.
 - (c) employees of the Government of India posted in Chandigarh or in Haryana in connection with the affairs of the Haryana Government;
- iii) Children/wards (if parents not living)/dependents of persons who after retirement have permanently settled in Haryana and draw their pensions from the treasuries situated in the State of Haryana.
- iv) Children/wards (if parents are not living)/dependents of pensioners of Haryana Government irrespective of the fact that the original home of the retiree is in a state other than Haryana or he has settled after retirement in or outside Haryana;
- v) Children/Wards (if parents are not living)/dependents of persons, who have permanent home in Haryana and include persons who have been residing in Haryana for a period of not less than 15 years or who have permanent home in Haryana but on account of their occupation they are living outside Haryana;
- vi) The wives of such persons who are bona fide residents of Haryana irrespective of the fact that they had belonged to any other State before marriage;
- vii) Persons who were born in Haryana and produce a certificate to that effect; provided that the parents/guardians (if parents are not living) of persons belonging to any one of the above-mentioned categories are:
 - a) Citizen of India;
 - b) Produce an affidavit to the effect that they or their children/wards (if parents are not living)/dependents have not obtained the benefit of Resident in any other State.

- viii) Children & Wards of the accredited journalists residing at Chandigarh and recognized by Govt. of Haryana.
2. All candidates claiming to be bona fide residents of Haryana should produce a Haryana Resident Certificate signed by the District Magistrate/General Assistant to Deputy Commissioner or Sub- Divisional Officer (Civil) of the District/Sub-Divisions to which the candidates belong. Resident Certificates in respect of elsewhere or in respect of the Children/Wards/Dependents of Haryana Govt. employees who are posted at Chandigarh, Delhi or elsewhere or in respect of Children /Wards/ Dependents of pensioners of Haryana Govt. or in respect of the Children/Wards/Dependents of the employees of the Government of India posted at Chandigarh or in Haryana in connection with the affairs of Haryana Government, or in respect of Children/Wards/Dependents of the employees and retirees of the Statutory Bodies/Corporations of Haryana established by or under an Act of the State of Haryana or a Central Act and located at Chandigarh, Haryana or outside Haryana, should be by their respective Heads of Departments.
 3. Candidates seeking admission in educational institutions (including medical and technical institutions) located in Haryana, may not be required to produce Resident Certificate, if they have passed the examinations from a school/college situated in Haryana. For this purpose, a certificate of the Principal/Headmaster from concerned institution, where the children/wards studied last should be considered sufficient. The Principal/Headmaster of the institution shall be competent to issue such certificate, which should be sufficient.
 4. If a candidate is admitted on the basis of claim that he belongs to the State of Haryana but at any subsequent time is discovered that his claim was false, the student shall be removed from the institution, all fees and other dues paid up to the date of such removal shall be confiscated. The Principal/Headmaster may take such other action against the student and her/his parents/guardians as he may deem proper in the circumstances of any particular case.
