

**Name of the Faculty Member:** Prof. Deepa Mangala

**Name of Activity:** Know Your FLQ

**Name of Course/PAPER:** Financial Management/Corporate Finance

**Semester:** II/I

**Brief Description:** It is a week-long activity organized at the commencement of the semester in which students are first rate their own and their group members' financial literacy level as perceived by them. Later they are asked to search for instruments used to measure financial literacy level of an individual and measure the FLQ as per the instrument. The activity is an eye opener for the students as it makes them aware of their FLQ levels and provides an understanding of basic concepts they need to understand to improve their financial literacy.
