Subject: Approval for Advertisement for Junior-Research Fellow

It is submitted that the Haryana State Council for Science, Innovation & Technology (HSCSIT) has sanctioned a Research and Development project titled "Development of hyphenated bioactive frameworks based on imidazole towards effective therapeutic agents" vide letter no. HSCSIT/R&D/2024/515 dated 16.02.2024, awarded to Prof. Vikas Verma (Principal Investigator), Department of Chemistry, and Dr. Ashwani Kumar (Co-Investigator), Department of Pharmaceutical Sciences, GJUS&T, Hisar (F/A). Under this project, one Junior Research Fellow (JRF) was previously appointed at a fellowship of ₹37,000/- per month (joining date 14.03.2024) (F/E). The said fellow has since tendered her resignation (F/F), and her notice period has been duly completed (F/G). Therefore, approval is sought for smooth conduct of R&D project:

Advertising the vacant JRF position on the university website to invite applications from eligible candidates with relevant qualifications and experience in the field of Chemistry/Pharmaceutical Sciences and along with the selection committee which is already approved by Hon'ble Vice-Chancellor at NP-1. The draft of the proposed advertisement is enclosed (F/H).

Submitted for kind approval from Hon'ble Vice-Chancellor, please.

Prof. Vikas Verma, PI
